

CRB Forms

Please find enclosed a form which the Scout Association would like everyone connected with the movement to fill in. There is one for each adult in the household.

The Scout Association's rules & regulations stipulate that no Beaver Scout, Cub Scout, Scout, or Explorer Scout should be left with any adult who has not undergone a CRB [Criminal Records Bureau] check.

I know that it's a bind, but it is essential especially since we operate a Parents' Rota and we ask for help with transport.

Please complete it and return it next week.

Completing The CRB Form

Complete sections A, C, F, and H;

Section X - at least one evidence of identity must be checked by one of our Leaders;

Section E is optional;

Leave blank sections B, G, Y, and Z.

Proof/Evidence Required

Please bring your passport/driving licence, etc, with your completed form and show the designated Leader.

Thank you for your co-operation with this matter.
