

## "Jobs"

OK, so you don't want to be involved in the organising of events—you're not a "committee person".

No problem, there are skills which you possess which we constantly need. The following are just a few where we need your help:

### External Crew

- ⊗ "Painters"
- ⊗ "Gardeners"
- ⊗ Building maintenance

### Internal Crew

- ⊗ "Painters"
- ⊗ Cleaners:
  - ⊗ kitchen
  - ⊗ general
- ⊗ "Joiners"

### Events Crew

- ⊗ Bodies to turn up on the day!!!

We have team leaders for each of the above crews. Their responsibilities are to match the work which needs doing to the volunteer workforce. [However, these team leaders are constantly saying "we'll do it until someone else volunteers". Are you such a volunteer?]

**TEAM**  
Together Every-  
one Achieves  
More.

Whether or not you want to be a team leader, your place on the TEAM is essential. Without this dedicated band of volunteers, this necessary work would fall upon the various Section Leaders—thereby taking their time away from helping your son/daughter.

Please take a moment to fill in the enclosed form and then return it to your daughter's/son's Section Leader.
