

The Team—The Scouters

Dave Calverley—Group Scout Leader (GSL)

Very briefly, Dave started his career at the 9th as an 8 year old Wolf Cub, became a Boy Scout then a Senior Scout which soon changed to Venture Scouts. He was presented with his Queen's Scout Award by the Chief Scout, Sir Charles McLean, at Westminster Abbey in 1970.

Whilst away at University, Dave continued to attend all that he was able to, eventually taking over the Scout Leader's role in 1974.

In 1993, Dave started a 5 year break from Scouting, eventually returning to Crosland Hill in 2000 as GSL.

His many positions in Scouting include District Scout Leader, Public Relations Officer for West Yorkshire County Scouts, member of WY County Executive Committee, member of SW Huddersfield District Executive Committee, et al.

Dave is currently enjoying the challenge of his latest appointment, seeing both his daughter, Helen, and son, Ben, carrying on the family tradition (his sister was both an ACSL and Venture Scout here). However, he is a glutton for punishment, taking on the County PRO position again!

Steve Pollard—Assistant Scout Leader (ASL)

Back in the late 80's, Steve entered an outdoor equipment shop in Crosland Moor (Peak & Pennine). He got chatting with the owner. When he said that Adrian Fielden, an ex-Scout, was his brother-in-law and that he himself had been a Scout, I had no choice but to 'persuade' Steve to "try us out" for a trial period.

Steve has put in many hours of unrecognised work over the past decade and a half. His Scouting knowledge is exemplary. His enthusiasm is unlimited. His dedication is known far and wide.

Diane Calverley—Explorer Scout Co-ordinator [for Duke Of Edinburgh's Scheme]

Dave Martindale—Cub Scout Leader (CSL)

Andrew Willans—Assistant Cub Scout Leader (ACSL)
