

Camp Bank

It may appear, especially during the camping season, that we are constantly asking you for money so that your son/daughter can attend camps and take part in activities.

In an attempt to offset the cost somewhat, we now operate a "Camp Bank".

How does it work?

You will be issued with a "Bank Card". This must be presented every time a payment is made, please. I'm sorry, but if no card is on hand then money will not be accepted.

You may pay in as much, or as little, money at any time. Simply give both the money and the card to the Leader at your son's/daughter's meeting.

The Leader makes two entries:

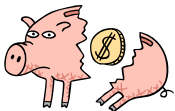

1. In your Bank Card;
2. In our record book.

Do I have to do take part?

No. I must emphasise that participation in this scheme is entirely voluntary. You pay what you want when you want.

What if I want my money back?

No problem. It's your money - you can have it back whenever you want. Remember, however, that you must have your card if you want to withdraw any funds.

I have another question, but I can't remember it!

Again, no problem. Simply give me a ring (a diamond one preferably) and we'll discuss it.
