

## Activity Badges

There are a number of Activity Badges available to Explorer Scouts. These build on the requirements of the Activity Badges in the Scout Section and lead towards the requirements for National Governing Body Awards. This chapter lists the requirements for all Explorer Scout Activity Badges.

The requirements of the Activity Badges should be adapted for Explorer Scouts with Special Needs. This should be done together with the Explorer Scout, their parents or carers and any other appropriate Adviser.

### Badges

Air Activities	Creative	Nautical Skills training options
Aviation Skills	Advanced Nautical	Recreation
Advanced Aviation Skills	Emergency Aid	Science and Technology
Aviation Skills training options	Lifesaver	Scouting Skills
Community	Mountain Activities	Water activities
	Nautical Skills	

### Staged Activity Badges

In addition to these, there are four Activity Badges staged across these Sections.

Information Technology	Musician
Nights Away	Swimming

The Staged Activity Badges have been designed to provide a seamless approach throughout the Sections.

For each stage there are five levels available. This means that a young person can gain whichever badge is appropriate to the level they have reached. It is possible, for example, for a Beaver Scout who is an excellent swimmer to gain a higher level badge than a Scout who has just taken up the activity.
