

Cake

Would you please be so kind as to bring a cake?

Spending Money

Please adhere to the amount specified on the Information Sheet. This will be quite sufficient for the period of our visit. Remember, this is the *maximum*; you don't have to bring so much if you don't want.

Please talk to your son/daughter about spending this money on 'cheap jokes' from the local shops. Many items break within hours of being bought, some items are inappropriate ('Fart Powder' will be immediately confiscated), most are quite simply a waste of money.

Mobile Phones

Please note that mobile phone coverage can be patchy.

Please also be aware that if your son/daughter takes a mobile phone to camp, it is solely your son/daughter's responsibility - even if an adult is asked to look after it.

TO REITERATE

1. Let your son/daughter pack his/her own gear so that he/she knows what is in his/her bag;
2. **Waterproof** means **waterproof**, not showerproof. **Please** be brave enough to admit ignorance and **ask** if you are not sure – it is better than your son/daughter dying of hypothermia out on the moors!
3. All items must have your son/daughter's name on them – either stitched or using an indelible marker.

What To Take To Camp

Your son/daughter will need to bring his/her own personal equipment.

The enclosed list represents the absolute minimum and must be taken.

Please allow your son/daughter to pack his/her own kit – he/she will have to do this at the end of the stay.

Equipment Notes

Here is some basic information regarding some of the items you may require. Detailed notes are available – please ask.

Sleeping Bags Synthetic filled bags are easier to clean than natural filling. Zips can be a source of cold if no baffle is fitted.

Footwear Boots give a better ankle support and normally have better soles than shoes if you are hiking.

Warm Wear A number of layers is warmer than one thick one and the warmth can be regulated more easily - do not forget your hands and head.

Waterproofs Please, **waterproof**, not showerproof. These items [jacket & overtrousers] are essential. Basic garments are not too expensive. Ideally buy ones with 'taped seams'.

Torch Do not pack your torch with batteries fitted (or at the bottom of your kit) as it could easily get accidentally turned on and you will arrive at the camp/holiday with flat batteries.

General Notes

1. Your son/daughter **must** travel to and from the camp/holiday in uniform, **correctly worn** (ie shirts tucked in!!).
2. Black bin bags are not suitable for bedding rolls as they tear very easily, with the result that the contents get lost or soiled in transit.
3. Please place wash-proof name labels in all clothing, which should have your son/daughter's name (and "**9th Hudds**").
4. Please label with either indelible ink and/or engraving as appropriate, with your son/daughter's name (and "**9th Hudds**"). (Old favourites of paper labels held on with sellotape, or nail varnish dots are not suitable. The paper labels wash off after the second or third meal, and it's amazing how many mums use the same shade of nail varnish!).
5. Please provide instructions for use.
6. No games or similar items which require batteries to run, please (i.e. radios, gameboys, or MP3 players, etc).

Home Contact

Please refer to the 'Information Sheet' for details.

Please only phone the Camp Warden in an emergency, the telephone is in the wardens' flat and they get fed up with "May I speak to little Gemma, please"!!

Should you need to get a non-urgent message to your son/daughter, please use my mobile: 07887 878 425

Please do not hesitate to contact me should you have any queries.

Dave
