

HEAR THIS

This game can be a bit noisy, but it's a lot of fun!

One player is chosen to be blindfolded and your other Beaver pals take turns in walking in front of him, all making different sounds.

Maybe the grunting of a pig, the sound of a train, the cackling of a hen, or whatever else you can think of.

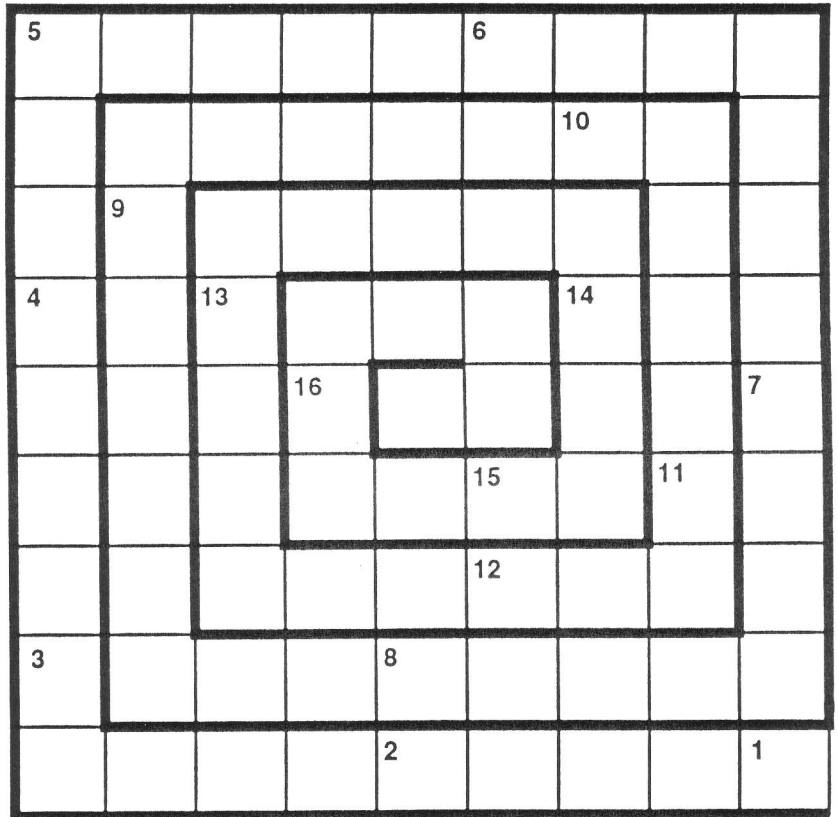

The blindfolded player must try to guess which player is making which sound. The player whose sound is guessed is the next to be blindfolded.
