

### PICTURE WORDS

Can you fill in the grid below, using the picture clues so that the name of a scientific instrument appears in the first column?

### WHAT A CATCH

How quickly can you rearrange the letters to find out which fish Roly the Rabbit has caught

# Ha! Ha!

Mum: David, did you get a good place for your exam?

David: Yes, Mum - I was right beside the radiator.

Hal Hal Hal

Tom: Smells like Steven's cooked UFO for our campfire meal.

Geoff: What's UFO?

Tom: Unidentified Frying Objects!

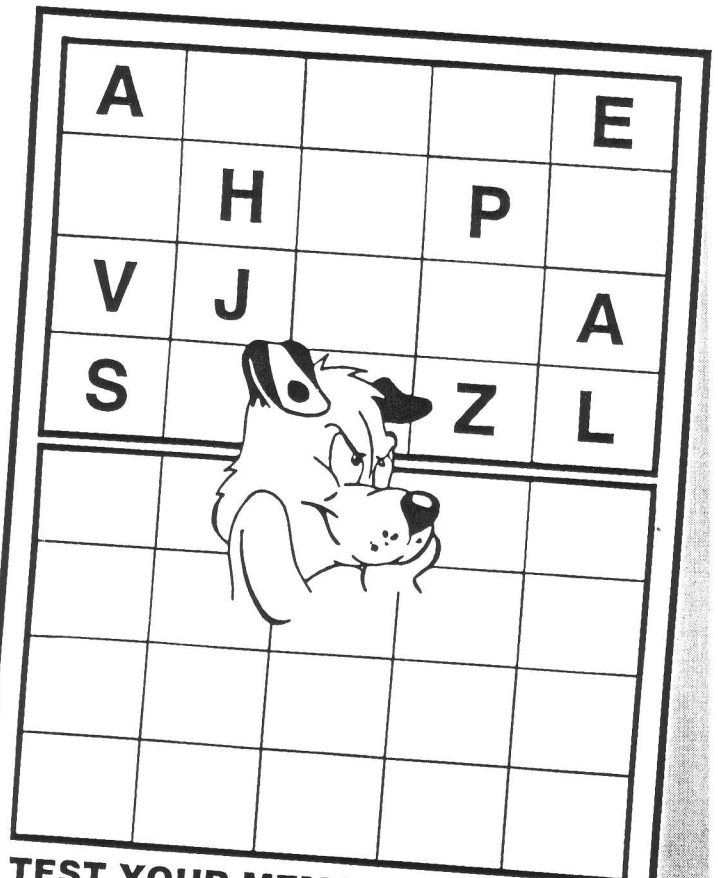

What would you get if you crossed a rodent with a woodpecker?

A rat - tat - tat!

If a whale had boy and girl twins, would they be a blubber and sister?

Customer: Do you serve shrimps?

Waiter: Sit down, mate. We serve anybody!

### TEST YOUR MEMORY

Take a look at the top grid and try to memorise the position of all the letters, then cover the grid up and try to place the letters in the same positions in the bottom grid. It's not easy!
