Doodley Doo {A - C - R}

Please sing to me that sweet melody
Called doodley doo, doodley doo.
I like the rest,
but the part I like best
Goes doodley doo, doodley doo.
It's the simplest thing
there isn't much to it
I like it so, wherever I go,
It's doodley doodley doo.

Come on and waddaly atcha, waddaly atcha
Waddaly o, waddaly o
Waddaly atcha, waddaly atcha
Waddaly o, waddaly o
It's the simplest thing
there isn't much to it
I like it so, wherever I go,
It's doodl ey doodley doo.

Waddle-ee-ocha

Waddle-ee-ocha, waddle-ee-ocha,
Doodle-ee-doo, doodle-ee-doo,
Waddle-ee-ocha, waddle-ee-ocha,
Doodle-ee-doo, doodle-ee-doo!

It's the simplest song, there ain't much to it,
All you've got to do is doodle-ee-doo it,
I like the rest but the part I like best
It goes: doodle-ee-doodle-ee-doo! Woo!

Actions: (this is hard to describe, so let me know if you're confused!)

For each pair of lines in the song, you fit the following actions:

Slap hands on thighs twice

Clap hands twice

With arms in held in front of chest, shake left hand over right hand twice,
then right hand over left twice

Left hand holding your nose, right hand holding your left ear, then right hand

Wally Archer

Wally Archer, Wally Archer
Do-bi-do-do, do-bi-do-do
Wally Archer, Wally Archer
Do-bi-do-do, do-bi-do-do
Simplest thing there ain't much to it
All you've got to do is do-bi-do-do it
I like the rest but the part I like best goes
Do-bi-do-do-bi-do-do__ ooo ooo

Billboards

(Tune: Superfragilisticesspyalladocious) As I was walking down the street one dark and gloomy day,
I came upon a billboard and much to my dismay,
The sign was torn and tattered from the storm the night before,
The wind and rain had done its work and this it what I saw:

"Smoke Coca-Cola Cigarettes -- chew Wrigley's Spearmint beer --
Kennel Ration Dog Food keeps your wife's complexion clear;
Simonize your baby with a Cadbury's candy bar --
And Texaco's the beauty cream that's used by all the stars!"

"So take your next vacation in a brand new Fridgidaire --
Learn to play piano in your winter underwear --
Doctors say that babies should smoke until they are three,
And people over 65 should bathe in Lipton Tea!"
(slowly)....in flow-thru tea bags.

Switch

(Tune: Reuben and Rachel)

I don't care if I go crazy
1, 2, 3, 4, 5, 6, Switch.
Crazy go I, if care don't I
6, 5, 4, 3, 2, 1, Switch.

My Uncle

Tune: My Bonnie Lies Over the Ocean)

(Substitute someone else's name for "uncle" if you wish)

My uncle fell into a pothole
In a glacier while climbing an Alp.
He's still there after 50 long winters,
And all you can see is his scalp.

Chorus

Bring back, bring back,
O bring back my uncle to me, to me.
Bring back, bring back,
O bring back my uncle to me, to me.

My uncle was proud of his whiskers,
To shave them would give him the blues.
They hung all the way to his ankles,
And he used them for shining his shoes.

Chorus

My uncle had faith in a sailboat
He had built from an old hollow tree.
My uncle set sail for Australia,
Now my uncle lies under the sea.

Chorus

My uncle made friends with hyenas,
He gave them a ride on his raft.
When a crocodile reached up and grabbed him,
The hyenas just sat there and laughed.

Chorus

My uncle annoyed his dear parents
They tossed him right out of the bus.
And if we don't mend our behavior,
Why that's what will happen to us.

My Tall Silk Hat

(Tune: Funiculi, Funicula)

One day, as I was riding on the subway,
My tall silk hat, my tall silk hat.
I laid it on the seat beside me,
My tall silk hat, my tall silk hat.
A big, a-fat-a-lady sat upon it,
My tall silk hat, my tall silk hat.
A big, a-fat-a-lady sat upon it,
My tall silk hat, my tall silk hat.
Christopher Columbo, now what do think of that,
A big, a-fat-a-lady sat upon it,
My tall silk hat, my tall silk hat.
My hat she broke and that's no joke,
My hat she broke and that's no joke.
Christopher Col umbo, now what do think of that,
my hat, my hat, my hat she smashed.

The Tree Toad

(Tune: Auld Lang Syne)

A tree toad loved a fair she toad
That lived up in a tree;
She was a fair three-toed tree toad
But a two-toed toad was he.
The two-toed tree toad tried to win
The she toad's friendly nod;
For the two-toed tree toad loved the ground
That the three-toed tree toad trod.

Now three-toed tree toads have no care
For two-toed tree toad love,
But the two-toed tree toad fain would share
A tree home up above.
In vain the two-toed tree toad tried;
He couldn't please her whim.
In her tree toad bower with veto power,
The she toad vetoed him !

Two Little Fleas

(Tune: Auld Lang Syne)

Two little fleas together sat
They cried when one flea said;
"I've had no place to lay my head,
Since my old dog is dead.
I've travelled far from place to place
And farther will I roam.
But the next old dog that shows his face
Will be my home sweet home."

Sandwich Song

(Tune: Battle Hymn of the Republic)

I walk into a restaurant
And this is what I cry:
"I want a chicken sandwich,
Cup of coffee, piece of pie."
Oh, you will surely hear me
Sing this song until I die!
"I want a chicken sandwich,
Cup of coffee, piece of pie."

Great Green Gobs

(Tune: Old Gray Mare, except the line in caps which is the melody to "Good Evening Friends")

Version One:

Great green gobs
Of greasy, grimy, gerbil guts,
Mutilated monkey meat,
Dirty, little birdie feet!
Great green gobs
Of greasy, grimy gerbil guts,
And me without my spoon!
BUT I BROUGHT MY FORK!!!

Version Two:

Great green globs of
Greasy, grimy gopher guts
Munched up monkey meat
Little birdies' dirty feet
French-fried eyeballs
Swimming in a pool of barf
And I forgot my spoon
But I got my straw...

Version Three:

Great green globs of
Greasy, grimy gopher guts
Mutilated monkey feet
Chopped up baby parakeet
French fried eyeballs
Sailing in a cream puff
Oops! I forgot my spoon...
But there are straws!

Version Four:

Great green gobs of greasy grimy gerbil
guts,
Mutilated monkey meat,
Itsy bitsy birdie feet,
French fried eye-balls,
Rolling down a muddy street,
And I forgot my spoon.
(pause)
But I got my straw!

Version Five:

Great green gobs of greasy grimey
gopher guts,
Mutilated monkey meat,
Saturated birdy feet,
All wrapped up in
All purpose porpoise pus.
And me without a spoon!

Gee whiz! (but I've got a straw)

It's Not Hard

It's Not Hard

It's not hard I tell you so,
Just sing along and go like so!

Actions:

1st verse: slap hands on thighs, eight slaps to each line

2nd verse: slap hands on thighs, clap hands; 4 actions to each line

3rd verse: slap hands on thighs, clap hands, snap fingers; repeat, end by slapping hands on thighs again. This action is repeated once for each line

4th verse: slap hands on thighs, cross arms to slap hands on opposite thighs, slap hands on thighs, clap hands, snap fingers, clap hands, slap thighs. This action is repeated once for each line.

The secret to the actions is whenever you get lost, remember to always hit your knees at the word "just"!

Repeat the song a number of times, getting faster. You can also try doing just the actions and no words!

Itchy Flea

(leader sings one line and everyone else sings it back)

Flea.

Flea fly.

Flea fly mosquito.

Oh, no no no more mosquitos.

Itchy itchy, scratchy scratchy, oh, I got one down my backy.

Beat that big bad bug with the bug spray.

SSSSSSssssssssssss!

Here's a second version of the song, sent to me by Leslie Collins. Thanks!

(Actions: the song is sung sitting crosslegged and alternate clapping once then slapping knees once to make the beat)

There are a couple of hand actions that go with it, but by and large you can just make them up.

Na-noo went the little green frog!
Na-noo went the little green frog one day,
So we all went na-noo-na!

Erik the Viking

A Norse is a Norse of course, of course,
But who's ever heard of a snoring Norse,
Unless, of course, that snoring Norse is
That Viking, Erik the Red.

Go right to the source and ask a Norse
If he ever rode on a Viking horse.
A member of the Viking force
Is the famous Erik the Red.

Vikings like to sail around
to pass the time of day.
But Erik the Red will always sail
after his old beard turns grey.

A Norse is a Norse, of course,
And the loudest of all the snoring Norse
Is the famous Norse who looks like a horse,
The famous, ERIK the Red.

Do your ears hang low?

(Tune: Turkey in the Straw)

Do your ears hang low?
Do they wobble to and fro?
Can you tie them in a knot?
Can you tie them in a bow?

Can you throw 'em over your shoulder
Like a Continental Soldier?
Do your ears hang low?

Do your ears hang high?
Do they reach up to the sky?
Do they droop when they're wet?
Do they stiffen when they're dry?
Can you semifore your neighbour
With a minimum of labour?
Do your ears hang high?

Do your ears flip flop?
Can you use them for a mop?
Are they stringy at the bottom?
Are they curly at the top?
Can you use them for a swatter?
Can you use them for a blotter?
Do your ears flip flop?

Clap your hands (Tune: Jingle Bells)

Clap your hands, stamp your feet,
Let's all stand up please.
Face to the left, face to the right,
Now hands on your knees.

Sit down now, stand back up,
Clap your hands two beats.
Now we'll all wipe our brows,
And collapse in our seats.

Bill Grogan's Goat

(Audience repeats each line after Leader)

Bill Grogan's goat
Was feelin' fine
Ate three red shirts
Right off the line
Bill took a stick
Gave him a whack
And tied him to
The railroad track

The whistle blew
The train drew nigh
Bill Grogan's goat
Was doomed to die
He gave three groans
Of awful pain
Coughed up the shirts
And flagged the train

That's all there is
This story's done
I hope you had
A lot of fun

A smile is quite a funny thing

(Tune: Auld Lang Syne)

A smile is quite a funny thing,
It wrinkles up your face,
And when it's gone you never find
Its secret hiding place.

But far more wonderful it is,
To see what smiles can do.
You smile at one, he smiles at you,
And so one smile makes two.

He smiles at someone, since you smile,
And then that one smiles back,
And that one smiles until, in truth,
You fail in keeping track.

And since a smile can do great good,
By cheering hearts of care.
Let's smile and not forget the fact
That smiles go everywhere.

Ant Marching Song

The ants go marching one by one.
Hurrah, Hurrah.
The ants go marching one by one.
Hurrah, Hurrah.
The ants go marching one by one,
The little one stops to shoot his gun.
And they all go marching,
Down to the ground to get out of the rain.

(Insert the following lines, replacing one by one/to shoot his gun, etc.)

Two by two to tie his shoe.
Three by three to climb a tree.
Four by four to close the door.
Five by five to pick up sticks.
Seven by seven to look at heaven.
Eight by eight to shut the gate.
Nine by nine to tell the time.
The little one stops to say "this is the end".
or the little one stops to start again.

Alligator

The alligator is my friend.
He can be your friend too.
If only you would understand,
That he has feelings too!

Chorus:

Alligator! Alligator!
Can be your friend.
Can be your friend.
Can be your friend, too.

The alligator's happy and smiles.
He never sings the blues.
I'd rather have him as my friend,
than wear him on my shoes.

(chorus)

The alligator swims the swamps.
He never crawls on dirt.
And if you want to see my friend,
You can see him on my shirt.

(chorus)

The alligator ate my friend.
He can eat your friend, too.
If only you will understand,
That he eats dinner too!

(chorus)

Jaws [1]

Tune: Do re mi

Jaws, a mouth, a great big mouth
Teeth, the things that kinda crunch
Bite, the friendly shark's hello
Us, his favorite juicy lunch
Blood, that turns the ocean red
Chomp, that makes the swimmers pause
Gulp means the shark's been fed
That will bring us back to
Jaws! Jaws! Jaws! Jaws!

Jaws [2]

(actions in brackets)

I've got a story (wave index fingers back and forth)
About Jaws (one hand over head as a shark fin)
Fetus Jaws (chomping motion with index finger and thumb)
Baby Jaws (chomp with two fingers and thumb)
Child Jaws (chomp with whole hand)
Teenage Jaws (chomp with two hands)
Adult Jaws (chomp with arms)
Giant Jaws (chomp using arm and leg)
Grandpa Jaws (chomp with two hands, fingers curled inwards i.e. toothless)
Lady swimming (front crawl)
Waster's flying (splash water up beside face)
Jaws swimming (shark fin over head)
Lady screams: (cup hands around mouth)
"AAK! Where's my leg?!" (hop on one leg)
Jaws swimming (one hand as shark fin above head, other patting tummy)
And that's my story (wiggle index fingers back and forth)
About JAWS! (clap hands, throw one arm forward and the other back as if saying "ta da!")

Jaws [3]

... perhaps sung as a repeating song?

This is the story, do-do do do
About Jaws, do-do do do
There was a mama Jaws do, do, do
There was a papa Jaws do, do, do
There was a baby Jaws do, do, do
And there was Jaws do-do do do
There was a lady do-do, do do
A pretty lady do-do do do

You can't play with my little red wagon.

The axle's broken and the wheels are saggin'.

Second verse, same as the first,

A little bit louder and a little bit worse.

You can't play with my little red wagon.

The axle's broken and the wheels are saggin'.

A little bit louder and a little bit worse.

You can't play with my little red wagon.

Tenth verse, same as the first,

A little bit louder and a little bit worse.

You can't play with my little red wagon.

The axle's broken and the wheels are saggin'.

Note that if you're around other people and you can't have the kids screaming at the top of their lungs on the tenth verse, you can change it to "a little bit faster and a little bit worse" and then start slowly and get faster each verse.

Princess Pat

Chorus:

"A Ric-a-dam-doo, pray what is that?
It was made at home by the Princess Pat,
It's red and gold, and purple-blue
That's what we call The Ric-a-dam-doo, dam-doo, dam-doo"

The Song:

The Princess Pat (Egyptian hand movement & hips)
Lived in a tree (Arms up over heads, making a tree bow)
She sailed across (wave hands over water)
The seven seas (Seven fingers, wave hands over water)

She sailed across (Repeat hand wave over water)
the Channel too (thumb and finger channel, two fingers)
and took with her (sling bag over shoulder)
a rickabamboo (hands wave down move hips)

(chorus)

A rickabamboo (hands wave down)
Now what is that
Its something made
For the Princess Pat (repeat Egyptian move)

Its red and gold (hand on right hip)
and purple too (hand on left hip)
That's why its called
a rickabamboo (repeat motion)

(chorus)

Now Captain Dan (stand at Alert)
and loyal crew (salute)
They sailed across the channel too (as above)
but their ship sank (hold noses and move body down)

and your's will too (point out and finger two)
if you don't take (sling bag over shoulder)
a rickabamboo (hands wave down)

The song and the music is the song of the Princess Patricia's Canadian Light Infantry. Princess Patricia of Cannaught was the daughter of a Governor General of Canada 1911-1914 and a grand-daughter of Queen Victoria and Prince Albert. The rigabamboo is correctly the Regimental Camp Colour, affectionately known by the Princess Pat's as "The Ric-a-dam-doo".

Out the Window

Little Jack Horner
Sat in a corner
Eating a Christmas pie.
He stuck in his thumb
And he pulled out a plum
And threw it out...

Chorus:
The window,
the window,
the second story window!
With a heave and a ho,
And a mighty throw
He threw it out the window!

Old Mother Hubbard
Went to her cupboard
To get her poor dog a bone.
When she got there
The cupboard was bare
She threw it out...

Chorus:

Jack be nimble,
Jack be quick,
Jack jumped over the candlestick.
He jumped so high,
He jumped so low,
He jumped right out...

Chorus:

Once a Cub Scout went to Camp

(Tune: Head & Shoulders, Knees & Toes)

Once a cub Scout went to camp,
Went to camp without his lamp,
And there he saw a spider in his bed,
This is what the cub Scout said:

Spider spider, go away,
You are not allowed to stay,
This is what my leader said,
'No two bodies in one bed.'

Once a Girl Scout went to camp,
Went to camp without her lamp,
And there she saw a spider in her bed,
This is what the Girl Scout said:

Aaaaaauughhhhhh!

And I said, "Herman What happened?"

(with fingers show a 1/4 of an inch)

And he said, " I BURPED!"

Be Kind To Your Web-footed Friends

[to the tune of "Stars and Stripes"]

Be kind to your web-footed friends
For that duck may be somebody's mother,
She lives on the edge of a swamp
Where the weather is always damp.

You may think that this is the end,
Well it is but to prove that you're all liars,
We're going to sing it again,
But only this time we will sing a little higher.

[Repeat the song but sing it a bit higher. Continue on for as many rounds as you can stand!]

Cottage In A Wood

In a cottage in a wood
Little old man at the window stood,
Saw a rabbit running by
Frightened as could be.

"Help me, help me, sir," she said,
"Before the huntsman shoots me dead."
"Come, little rabbit, come with me,
Happy we will be."

Actions:

Cottage - draw shape of cottage in air

Little old man at the window stood - hold hands up to eyes like binoculars looking out window

rabbit running by - hold hand in "peace" sign with two fingers extended to look like rabbit ears, and move hand from one side to the other in "hopping" motion

frightened as could be - cross arms across chest and twist from side to side

help me, help me - throw arms up in air

shoots me dead - clap one hand against the other

come little rabbit - "come here" gesture with finger

happy we will be - stroke one hand with the other

Keep repeating; with each repeat replace a line of the song with the appropriate action until no words are sung.

(Tune - "Row, Row, Row Your Boat")

Soap, soap, soap and towel; towel and water please.

Merrily, merrily, merrily, merrily, wash your dirty knees.

Actions - place hands on knees, and in time with the song open and close knees while swapping hands from one knee to the other when the knees come together (as in the 1920's "Charleston" dance, for those who can remember it...) If done correctly, every second time the knees move apart the right hand will be on the left knee and left hand on right knee, with the arms crossed.

The Crocodile

She sailed away, on a lovely summer's day,
On the back of a crocodile.
"You see," said she, "he's as tame as tame can be,
I'll ride him down the Nile."

The croc. winked his eye, and the lady waved "goodbye",
Wearing a happy smile.
At the end of the ride, the lady was inside,
And the smile on the crocodile!

Actions:

She sailed away - make motion with hands like holding the reins of a horse
back - slap back of one hand with the other
crocodile - hold arms in front and move apart and together like crocodile mouth
tame as tame can be - stroking back of hand
ride him down the Nile - make motion with hands like holding the reins of a horse
winked his eye - hold hand next to eye and close fingers together for a big "wink"
waved "goodbye" - wave goodbye
happy smile - draw a big smile in air next to mouth with fingers
lady was inside - rub stomach
crocodile - as before...

Hi Ho! Nobody Home

(Three part round)

Hi, ho! Nobody home,
Meat nor drink nor money have I none.
Yet will I be merry.

Explain that this song was sung by the Canadian lumberjacks as they walked home through the forest. Begin singing very quietly, gradually getting louder until at full volume, then fade away again, as though you can hear them approaching, going past and then moving away.

Yogi Bear

(Tune - "Camptown Races")

I know someone you don't know,
Yogi, Yogi,
I know someone you don't know,
Yogi, Yogi Bear,
Yogi, Yogi Bear,
Yogi, Yogi Bear,

I know someone you don't know,
Yogi, Yogi Bear.
Yogi has a little friend,
BooBoo, BooBoo, Bear...

Yogi has a sweet girlfriend,
Cindy, Cindy Bear...
Yogi lived in Jellystone,
Jelly, Jellystone...

Yogi has an enemy,
Ranger, Ranger Smith...
BANG!

Onni Wonni Wakki

Onni wonni wakki Wah wah,
Onni wonni wakki Wah wah,
Aye yi yi yippi yi yi yi.
Aye yi, aye yi, aye yi, aye yi

The key thing with this song is not the words, but the actions! Repeat the song three times, doing the actions in rhythm with the music:

During the first verse, put both hands on the knees of the person to your right, then on your own knees, then on the knees of the person to your left, then back on your own knees.

During second verse, start with arms folded (not tucked in!) in front of your chest; put right hand out, put left hand on top of it, put left hand back in "folded" position, put right hand in "folded" position and then repeat by putting left hand out first.

During last verse, put both hands on knees, then put left hand on nose while crossing right arm over to touch left ear with right hand; then put hands on knees again and this time touch nose with right hand while touching right ear with left hand...

(This last action requires some care to ensure you don't poke your finger in your eye!)

I Zicka Zimba (Hold Him Down)

Hold him down, you Zulu Warrior

Hold him down, you Zulu chief, chief, chief, chief (Repeat)

I zicka zimba, zimba, zimba

I zicka zimba, zimba, hey

I zicka zimba, zimba, zimba

I zicka zimba, zimba, hey

To begin, song leader shuffles/dances in circle around fire, pretending to wave spear. After singing "chief, chief, chief, chief" turn and dance back in the other direction. During "I zicka zimba" do the same, but with more vigorous actions; on "hey" jump up and turn in opposite direction. When this chorus ends, select a member of audience to join in dance; after each further chorus, each person dancing selects another audience member to join the dance.

It is difficult to do justice to the chorus musically as it is in the sound file. It is far more effective when done as a chant, with a loud shout on the "Hey!" (imagine an Indian war dance from an old Western movie and you'll have about the right idea!)

Father Abraham

Father Abraham had many sons
Many sons had Father Abraham.
I am one of them, and so are you.
Let me tell you what to do...
Right arm.

Father Abraham had many sons
Many sons had Father Abraham.
I am one of them, and so are you.
Let me tell you what to do...
Right arm, left arm.

..... Continue until:
Right arm,
left arm,
right leg,
left leg,
nod your head,
stick out your tongue,
turn around, sit down.

(can also sing as "Robert Baden-Powell had many scouts")

For actions, simply move indicated part of the body. After first verse start swinging right arm, swing both arms after second verse, swing both arms and right leg after third verse and so on...

Noble Captain Kirk

(Tune - "Grand Old Duke of York")

The noble Captain Kirk,

He had 500 men.

He beamed them up to the Enterprise,

And he beamed down again.

And when they're up, they're up,

And when they're down, they're down,

And when they're only halfway up,

They're nowhere to be found.

All Together Again

[Closing]

We're all together again, we're here, we're here,
We're all together again, we're here, we're here.
And who knows when, we'll be all together again?
Singing all together again, we're here, we're here!

In a gathering with a number of different patrols, sixes etc., you may sing this several times substituting patrol names/six names with the relevant patrol/six standing as their name is sung. e.g. You might replace the words "we're here, we're here" with "Wombats are here" (for Wombat patrol) or "Red Six are here" for Red Six.

The Bear Song

Leader: Group, echoing:

The other day (The other day)
I saw a bear (I saw a bear)
A great big bear (A great big bear)
A way up there (A way up there)

Everyone:

The other day I saw a bear
A great big bear a way up there

[Continue this pattern throughout the song.]

I looked at him
He looked at me
I sized up him
He sized up me

He says to me
Why don't you run
I see you ain't
Got any gun

I said to him
That's a good idea
So come on feet
Let's get out of here

And so I ran

Away from there
But right behind
Me was that bear

But ahead of me
There was a tree
A great big tree
Oh, Glory Be!

But the lowest branch
Was ten feet up
I'd have to trust
My luck to jump

And so I jumped
Into the air
But I missed that branch
A way up there

Now don't you fret
Now don't you frown
'Cause I caught that branch
On the way back down

That's all there is
There ain't no more
Unless I meet
That bear once more

Scouting Wetspers

(Tune - "Scout Vespers" (Oh, Tannenbaum))

Softly falls the rain today
As our campsite floats away.
Silently, each Scout should ask
"Did I bring my SCUBA mask?
Have I tied my tent flaps down?
Learned to swim, so I won't drown?
Have I done, and will I try
Everything to keep me dry?"

Mules

(Tune - "Auld Lang Syne")

On mules we find two legs behind,
and two we find before;
We stand behind before we find,
what the two behind be for.

When we're behind the two behind,
we find what these be for;
So stand before the two behind,
and behind the two before.

Mum Wash My Underwear

(Tune - "God Bless America")

Mum, wash my underwear, my only pair.
We can find them and move them,
From the heap by the side of the chair.
To the washer, to the clothesline,
To my backpack, to my rear.
Mum, wash my underwear, my only pair.
Mum, wash my underwear, or I'll be bare.

Underwear

(Over There)

Underwear, Underwear
How I itch in my woollen underwear
I wish I hdd gotten a pair of cotton
So I wouldn't itch everywhere.

BVDs make me sneeze
When the breeze from the trees hits my knees
Coming over, I'm coming over
In my gosh darned, itchy, woolen underwear

Underwear, underwear,
Send a pair, send a pair, I can wear
For I left mine lying, on a line a drying
And now I need them they're not there.

Underwear, underwear,
Get a pair, get a pair, anywhere
The bugle's blowing, I must be going
For I've got to get there if I have to go there bare

Willies Underwear

(sung like the old fashioned barber shop quartet would sing it...)

On the night that Willie died...hum
He called me to his side.....hum
And he gave me his dirty underwear...dirty underwear.

They were baggy at the knees.....hum
And they smelled like liver cheese...hum
Oh the dirty underwear that Willie wore...that Willie wore.

Oh I threw them in the sky.....hum
And the birds refused to fly...hum
Oh the dirty underwear that Willie wore...that Willie wore.

Oh I threw them in the well...hum
And the rats they ran like....heck...hum
Oh the dirty underwear that Willie wore...that Willie wore.

Now Willie's dead and gone...hum
But his underwear live on....hum
And they're hangin' on the line for all to see...for all to see.

Now remember and remember well...hum
For you can't avoid the smell....hum
Of the underwear that's Willie's memory...Willie's memory!

Long Johns

(Tune : Bye, bye, blackbird)

I have lost my underwear,
I don't care,
I'll go bare,
Bye, bye long johns.

They were very dear to me,
Tickled me,
tee, hee, hee,
Bye, bye long johns.

If you ever wonder where to find me,
Just open up that trap door right behind me.
I have lost my underwear,
I don't care,
I'll go bare,
Bye, bye long johns.

My Bonnie

Tune: "My Bonnie Lies Over the Ocean"

My Bonnie leaned over the gas tank,
The height of its contents to see.
I lit up a match to assist her,
Oh bring back my Bonnie to me.

(Chorus)

Last night as I lay on my pillow,
Last night as I lay on my bed,
I stuck my feet out of the window,
Next morning my neighbors were dead.
(chorus with bring back my neighbors to me)

My Bonnie has tuberculosis,
My Bonnie has only one lung,
My Bonnie can cough up raw oysters'
And roll them around on her tongue.
(chorus: Roll them, roll them, roll them around on her tongue, her tongue...)

My luncheon lies over the ocean,
My breakfast lies over the rail.
My supper lies in great commotion,
Won't someone please bring me a pail.
(chorus: Clams & ice cream don't agree with me, with me..")

Who knows what I had for breakfast?
Who knows what I had for tea?
Who knows what I had for supper?
Just look out the window and see!

My Father's A Lavatory Cleaner

(My Bonnie Lies Over the Ocean)

My father's a lavatory cleaner
He works both by day and by night
And when he comes home in the evening
He's covered all over in Shine

Up your buttons with Brasso
Its only three apence a tin
You can buy it or nick it from Woolworths
But I doubt if they'll have any in

Some say that he died of a fever
Some say that he dies of a fit
But I know what my father dies of
He died of the smell of the Shine

Up your buttons with Brasso
Its only three apence a tin
You can buy it or nick it from Woolworths
But I doubt if they'll have any in

Some say that he's buried in a graveyard
Som say that he's buried in a pit
But I know where my fathers buried
He's buried in six feet of Shine

Up your buttons with Brasso
Its only three apence a tin
You can buy it or nick it from Woolworths
But I doubt if they'll have any in

My Dinner Lies Over the Ocean

(Tune - "My Bonnie Lies Over the Ocean")

My breakfast lies over the ocean,
My dinner lies over the sea,
My stomach is in a commotion,
Don't mention my supper to me.

Chorus

Bring back, bring back,
Bring back my tucker to me, to me,
Bring back, bring back,
Oh bring back my tucker to me.

I really felt rotten this morning,
They tell me I really looked pale,
My stomach gave adequate warning,
To lean far out over the rail.

Chorus

The sound of a stomach in motion,
A murmuring noise inside me,
I looked down and there on the ocean,
Was breakfast and dinner and tea.

Chorus

Picture a Cowboy

Picture a cowboy all dressed in red,
Fell off his horse and smashed in his head,
There was blood on the saddle, there was blood on the ground,
And great big globs of blood all around.

BOA CONSTRICTOR

I'm being swallowed by a
boa constrictor,
I'm being swallowed by a
boa constrictor,
I'm being swallowed by a
boa constrictor,
And I don't like it very much.

Oh no, he swallowed by toe.

Oh gee, he's up to my knee.

Oh fiddle, he's up to my middle,

Oh heck, he's up to my neck.

Oh dread, he swallowed my (slurp-swallow)

BOOM, BOOM, AIN'T IT GREAT TO BE CRAZY?

A horse and a flea and three blind mice
Sat on a curbstone shooting dice
The horse he slipped and fell on the flea
"Whoops!" said the flea, "There's a horse on me!"

Chorus:

Boom, boom! Ain't it great to be crazy?
Boom, boom! Ain't it great to be crazy?
Giddy and foolish the whole day through
Boom, boom! Ain't it great to be crazy?

Way down south where bananas grow
A flea stepped on an elephant's toe
The elephant cried, with tears in his eyes
"Why don't you pick on someone your own size?"

Repeat Chorus

Way up north where there's ice and snow
There lived a penguin and his name was Joe
He got so tired of black and white
He wore pink slacks to the dance last night!

Repeat Chorus

FRIED HAM

Fried ham, fried ham
Cheese and bologna
And after the macaroni
We'll have onions, pickles and pretzels
And then we'll have some more fried ham
Fried ham, fried ham!

Fried ham, fried ham, cheese and baloney,
After macaroni, you add mustard, pickles and ketchup,
Then you add some more fried ham, fried ham, fried ham.

Turkey Day

(Tune: Bring Back my Bonnie to Me)

My turkey went walking one morning
The November weather to see.
A man with a hatchet approached her.
Oh, bring back my turkey to me.

Chorus:

Bring back, bring back
Oh, bring back my turkey to me, to me.
Bring back, bring back
Oh, bring back my turkey to me.

I went down the sidewalk a shoppin'
The sights in shop windows to see.
And everywhere hung great fat gobblers.
Oh, bring back my turkey to me.

(Chorus)

I went out to dinner and ordered
The best things they had I could see.
They brought it all roasted and sizzling;
They brought back my turkey to me.

Brought back, brought back,
They brought back my turkey to me, to me.
Brought back, brought back,
They brought back my turkey to me.

Worms

Nobody likes me,
Everybody hates me!
I'm gonna eat some worms.
Chorus (Repeat after each verse)
Long, slim slimey ones,
Short, fat juicy ones,
Itsy, bitsy, fuzzy, wuzzy worms.

First you get a bucket,
Then you get a shovel,
Oh how they wiggle and squirm.

First you pull the heads off,
Then you suck th guts out.
Oh how they wiggle and squirm.

Down goes the first one,
Down goes the second one,
Oh how they wiggle and squirm.

Up comes the first one,
Up comes the second one,
Oh how they wiggle and squirm.

Everybody likes me,
Nobody hates me!
Why did I eat those worms?

Chop up their heads and
Squeeze out their juice,
And throw their tails away.
Nobody knows how I survive
On worms three times a day!

Commercial Mixup

(Tune: Farmer in the Dell)

Last night I watched TV.
I saw my favorite show
I heard this strange commercial
I can't believe it's so.

Feed your dog Chiffon,
Comet cures a cold
Use SOS pads on your face
To keep from looking old.

Mop your floor with Crest.
Use Crisco on your tile.
Clean your teeth with Borateem,
It leaves a shining smile.

For headaches take some Certs,
Use Tide to clean your face.
And do shampoo with Elmer's Glue
It holds your hair in place.

Perhaps I am confused.
I might not have it right.
But one things that I'm certain of. . .
I'll watch TV. tonight!

Sam, Sam, the Lavatory Man

The motions are a must when singing this song.

Sam, Sam, the lavatory man,
Chief inspector of the out house clan (stand straight like soldier & salute)
He issues the tissues, the paper, and the towels (pass out 'items')
He listens to the sounds of the rumbling bowels (hold hand to ear)

Down, down, down below the ground (point down on down)
Where all the little poopies are swimming around (swimming motion)
There sits Sam, the lavatory man,
Scooping up the poopies,
Scooping up the poopies,
Scooping up the poopies in his little tin can! (scoop 3x times and proudly hold up 'tin can')

The MacTavish Brothers

(to the tune of "The Irish Washerwoman")

Oh, MacTavish is dead and his brother don't know it,
His brother is dead and MacTavish don't know it,
There're both of them dead in the very same bed...
And neither one knows that the other is dead.

What a horrible way to die.
What a horrible way to be bored to death.
What a horrible way to die!

The motions: Usually it is sung in a circle, so you can see everyone doing the motions - a big part of the fun! It is best if everyone is standing, but not necessary.

Verse 1: Hands are cupped together as if carrying a captured bee. You walk in place and swings hands back and forth as you sing, in time to the music, until you get to the exclamation (Ouch!). Here you stop all movement to emphasize the statement, with an appropriate "unfair of the bee" face. Movement begins again with...

Verse 2: Hands are mashed together, back and forth in time to the music, as if squashing the bee. Again movement stops with exclamation (Ew!) as hands are looked at with "icky" faces on...Then

Verse 3: While singing (tricky!) hands are pretended to be licked - keeping the hands flat and moving them with a sweeping motion down in front of the mouth, in time to the music. Movement stops with "Ugh!" as "sick" faces are shown and stomachs are held.

Verse 4: While still holding stomachs, "bob" up and down from the waist, in time to the music, to simulate barfing. (Oooo, this is fun!) When the "Oh" sounds, "more work" faces are worn.

Verse 5: With "mops" in hand, scrub the floor in time to the music. When the "Mommie" is reached, "mops" are held upright and to the side (like the pitchfork in the famous painting :)) with the other hand on the hip and the head turned a little on its side.

Bringing home the dinosaur: hands over shoulder as if leading something really big on a leash!

Chicken Lips and Lizard Hips

Tune: Old Dunderbeck Scout variation:

Oh, when I was a camper, I never liked to eat;
the cook'd put things upon my plate, I'd dump them on his feet;
but then one day he made this soup, I ate it all in bed;
I asked him what he'd put in it, and this is what he said. *Chorus.

* Chorus: Oh, chicken lips and lizard hips and alligator eyes;
monkey legs and buzzard eggs and salamander thighs;
rabbit ears and camel rears and tasty toenail pies;
stir them all together, it's called the cook's surprise.

I went into the bathroom and stood beside the sink;
I said I'm feeling slightly ill, I think I'd like a drink;
The cook he said, "I've just the thing, I'll get it in a wink;
it's full of lots of protein, and vitamins I think." *Chorus.

THE GREAT GRAY GHOST ELEPHANT

In deepest darkest Africa there is a legend concerning the Great Gray Ghost Elephant. Every year after the rains the great gray ghost elephant arose from the mists and wandered throughout the land at dawn. When he came to a village he would stop and sniff the air, then he would either go around the village or through it. If he went around the village, the village would have a prosperous year, if he went through it there would be hunger and drought.

The village of Wat-cha had been visited three years in a row by the elephant and things were very bad indeed, and the village leader Ging-ganga, was very worried, as was the village medicine man Hay-la-shay. Together they decided to do something about the problem.

Now Ging-ganga and his warriors were huge men with big shields and Spears and they decided to stand in the path of the elephant and shake their shields and spears at it to frighten it off.

Hay-la-shay and his followers were going to cast magic spells to deter the elephant by shaking their medicine bags as the elephant approached, which made the sound shalawally shallawllly shallawally.

Very early in the morning of the day the Great Gray Elephant came the villagers gathered at the edge of the village. On one side were Ging-ganga and his warriors (indicate right side of camp fire circle) on the other was Hay-la-shay and his followers (indicate left side of camp fire)

As they waited the warriors sang softly about their leader;

Ging Gang Gooli, Gooli, Gooli, Gooli Watcha

Ging Gang Goo Ging Gang Goo

Ging Gang Gooli, Gooli, Gooli, Gooli Watcha

Ging Gang Goo Ging Gang Goo

As they waited the medicine men sang of their leader;

Hayla, Hayla Shayla Heyla Shayla Halya Ho-o-o!

Hayla, Hayla Shayla Heyla Shayla Halya Ho-o-o!

And shook their medicine bags,
shallawally shallawllly shallawally shallawally.

And from the river came the mighty great gray elephant's reply
(Have all the adults do this)

Oompha Oompah Oompah Oompah!

The elephant was coming closer so the warriors beat their
shields and sang louder,

(signal warriors to stand and beat thighs in time)

Ging Gang Gooli, Gooli, Gooli, Gooli Watcha

Ging Gang Goo Ging Gang Goo

Ging Gang Gooli, Gooli, Gooli, Gooli Watcha

Ging Gang Goo Ging Gang Goo.

Then the medicine men rose and sang loudly
Hayla, Hayla Shayla Heyla Shayla Halya Ho-o-o!
Hayla, Hayla Shayla Heyla Shayla Halya Ho-o-o!

And shook their medicine bags
shallawally shallawly shallawally shallawally.

And the mighty great gray elephant turned aside and went around the village saying,
Oompha Oompah Ompah Oompah!

There was great rejoicing in the village and all the villagers joined together to sing,
Ging Gang Gooli.....

Chorus

It aint gonna rain no more no more,
It aint gonna rain no more.
How in the heck can I wash my neck,
If it aint gonna rain nor more.

A man laid down by the sewer,
And by the sewer he died.
And at the coroner's inquest,
They called it sewerside.

Summer Camp

[Tune: Green Grow the Rushes]

I'll sing you one-o, we are the campers-o.

What is your one-o?

One is one for summer camp, and ever more shall be it so!

I'll sing you two-o, we are the campers-o.

What is your two-o?

Two, two, tie dyed shirts, drying in the breeze-o

One is one for summer camp, and ever more shall be it so!

[Continue: adding each verse and repeating backwards to, "One is one for summer camp, and ever more shall be it so!"]

Who swallowed a fly.
I don't know why
she swallowed that fly.
Perhaps she'll die.
She swallowed the bird
2. There was an old woman
Who swallowed a spider,
Who wriggled and jiggled and tickled
Inside her.
She swallowed the spider

Who swallowed a bird.
How absurd! to swallow a bird.
She swallowed the bird
To catch the spider
Who wriggled and jiggled and tickled
Inside her.

to catch the fly.
I don't know why
she swallowed that fly.
Perhaps she'll die.
4. There was an old woman
who swallowed a cat.
Imagine that! to swallow a cat.
She swallowed the cat
To catch the bird.

tickled inside her.

to catch the fly.

she swallowed that fly
Perhaps she'll die

OLD FAMILY TOOTHBRUSH

The old family toothbrush
The old family toothbrush
The old family toothbrush
That hung by the sink

First it was fathers,
Then it was mothers,
Then it was sisters,
But now it is mine.

Father he used it,
Mother abused it,
Sister refused it,
So now it is mine

The old family toothbrush
The old family toothbrush
The old family toothbrush
That hung by the sink

Are You Pink and Green

Are you pink and green?
Are you totally obscene?
Can you pick your nose?
With your stubby little toes?
Do your armpits smell?
Are you hairy there as well?
Do your teeth fall out?
Does your belly-button gleam?
Does it let off purple steam?
Is your earwax foul?
Does your stomach groan and growl?
Are your hands like jelly?
Do they wobble like your belly?
Do you look like me?

Christmas Time

(Jingle Bells)

School is out, we won't pout
Cubs shout "hip hooray!"
Something Special's coming soon
And it's Christmas day
Wrap the gift, trim the tree
Mind your Mum and Dad
You'll get presents if you do
Boy, won't you be glad!

Cheese

It's cheese, it's cheese, it's cheese that makes the mice go round
It's cheese, it's cheese, it's cheese that makes the mice go round
It's cheese, it's cheese, it's cheese that makes the mice go round
It's cheese that makes the mice go round

It's mice, it's mice, it's mice that make the cats go round . . .
It's cats, it's cats, it's cats that make the dogs go round . . .
It's dogs, it's dogs, it's dogs that make the boys go round . . .

It's girls, it's girls, it's girls that make the love go round . . .
It's love, it's love, it's love that make the world go round . . .

And so you see: it's really cheese
It's cheese, it's cheese that makes the world go round . . .

Chestnut Tree

Under the spreading chestnut tree, where I held you on my knee
We'll be happy as can be; under the spreading chestnut tree

The second time, omit the word "tree" and instead imitate tree branches with upward and outward hand motions.

The next time, also omit "nut" and tap the top of the head.

Then, omit "chest" but pat the chest.

Then, omit "spreading" and instead spread hands apart, etc.

Replace "happy" with a scowl and growl.

At the finish, almost half the song will be gestures

Deep and wide, deep and wide,
There's a fountain flowing deep and wide.
Deep and wide, deep and wide,
There's a fountain flowing deep and wide

Sing the words as written the first time through

Then, instead of saying the word 'deep', make a gesture (one hand above the other) to show depth. The next time, also show 'wide' by spreading hands out to the side for width.

Continue with 'fountain' (make a fountain-like gesture) and 'flowing' (make a rippling gesture with hands moving from one side to the other at chest level)

Food Terrible Food

(Food Glorious Food)

Food terrible food, burnt sausage and mustard
We're not in the mood for cold porridge and custard
Fried eggs with their edges black
What next is the question
We're all gonna suffer from indigestion

Food terrible food, those soggy old cornflakes
That lumpy fruit duff, that's all that our cook makes
We have to eat the stuff, don't want to be rude
But food - horrible food - sickening food - terrible food

Itched Up

(John Brown's Body)

The Mosquitoes wore tuxedos
And the blackflies wore black ties,
The bride she was a spider
And the groom he was a snake,

They w;re going to a wedding
In my Aunt Lucy's bedding,
And she was the wedding cake.

Glory, glory, hallelujah,
You don't feel itchy, Aunty, do ya?
Glory, glory, hallelujaih,
The bugs marched down the aisle.

The little honeymooners
Were nice and cozy in her bloomers,
And the guests all took their places
In Aunt Lucy's pillowcases.

The little beasts had such a feast,
They danced and flew and soared,
All while Aunt Lucy snored.

Little Black Things

(Clemintine)

Little black things, little black things
Crawling up and down my arms
If I wait 'til they have babies
I could start a black thing farm

Haven't taken a bath in two weeks
And I never change my clothes
I have got these little black things
Where they come from heaven knows

Once a cute girl tried to kiss me
But she jumped and gave a yell
And I never got to ask her
Was it the black things or the smell

My Old Man's a Dustman (Variation)

O, my old man's a dustman
He wears a dustman's hat
He bought two thousand tickets
To see a football match
Oh, Fatty passed to Skinny
And Skinny passed it back
Fatty took a rotten shot
And knocked the goalie flat, OOH!
Where was the goalie
When the ball went in the net?
Halfway up the goalpost
With his trousers round his neck, singing
Oompah, oompah
Stick it up you jumper
Rule Britannia, marmalade and jam
We threw sausages at our old man
They put him on a stretcher
They put him on a bed
They rubbed his belly
With a five pound jelly
But the poor old soul was dead

On Top of a Mountain

(On Top of Old Smokey)

On top of a mountain
All covered in grass
There sat a bald eagle
Scratching his... Aaaaah

Don't be mistaken
And don't be misled
There sat a bald eagle
Scratching his head!

Peanut Butter and Jelly

First ya find the peanuts and ya dig 'em
Ya dig 'em, ya dig 'em, dig 'em, dig 'em
Then you take the peanuts and ya smash 'em . . .
Then you take the butter and ya spread it . . .

Peanut, peanut butter; jelly!
Peanut, peanut butter; jelly!

Then you find the grapes and ya pick 'em . . .
Then you take the grapes and ya smash 'em . . .
Then you take the jelly and ya spread it . . .
Then you take the bread and ya fold it . . .
Then you take the sandwich and ya munch it . . .
The last time through the chorus, after eating the sandwich, mumble the words
terribly as though there is peanut butter stuck to the roof of the mouth

Randall

(Rudolph The Red-Nosed Reindeer)

Randall, the red-cheeked Cub Scout
Had a very cold, cold nose
And if you ever noticed
You could even say it flows

All of the other Cubbies
Used to laugh and point it out
That Randall, the red-cheeked Cub Scout
Had a very runny snout

Then one day the Den Leader
Took Randall out of sight
And told him that it's time he knew
How to wipe his nose just right

Now all the other Cubbies
Think Randall is a "Class-A" Scout
Cause Randall, the red-cheeked Cub Scout
Finally learned to blow his snout

Show Me the Way to go Home

Show me the way to go home
I'm tired and I want to go to bed
Oh, I had a little drink about an hour ago
And it's gone right to my head

Wherever I may roam, on land or sea or foam
You will always hear me singing this song
Show me the way to go home

Indicate the way to my abode
I'm fatigued and I wish to retire
Oh, I had a little beverage 60 minutes ago
And it's gone right to my cranium

Wherever I may perambulate, on land or sea or atmospheric pressure
You will always hear me chanting this melody
Show me the way to my abode

Side By Side

Oh! We ain't got a barrel of money
Maybe we're ragged and funny
But we'll travel along
Singing a song, side by side

Don't know what's comin' tomorrow
Maybe it's trouble and sorrow
But we'll travel the road
Sharin' our load, side by side

Through all kinds of weather
What if the sky should fall
Just as long as we're together
It doesn't matter at all

When they've all had their quarrels and parted
We'll be the same as we started
Just travellin' along, singing a song
Side by side; side by side

The Calliope

Divide the group into four or five parts. Start the groups off one at a time, bringing in the next as the one before gets going.

1st part sings: Um-pah-pah

2nd part sings: Um-sss-sss

3rd part sings: Um-peep-peep

4th part sings: Um-tweedle-tweedle

The rest of the group sings the melody of a suitable tune, such as "Daisy, Daisy," "East Side, West Side," "In the Good Old Summertime," or "The More We Get Together"

The Chigger

(Polly Wolly Doodle)

Oh, there was a little chigger
And he wasn't much bigger
Than the head of a tiny pin
But the bump he raises
Just itches like the blazes
And that's where the scratch comes in

But the bump he raises
Just itches like the blazes
And that's where the scratch comes in

The Cow Kicked Nellie

The Telephone Song

Leader: Everybody say (Leaders's Name_

Group: (Leader's Name)

Leader: I thought I heard my name (sung)

Leader: Everybody say (Leaders's Name)

Group: (Leaders's Name)

Leader: I thought I heard it again. (sung)

Leader: Everybody sing "(Leaders's Name) you're wanted on the telephone"

Group: (Leaders's Name) you're wanted on the telephone

Leader: Well if it's not "Jim" then I'm not home

Group: Jim

Jim: I thought I heard my name (Leader can help sing)

Group: Jim

Jim: I Thought I heard it again

Group: Jim you're wanted on the telephone

Jim: Well if it's not (Name Beaver on right) then I'm not home

and so on and on....around the dam. Each Beaver's name is said 4 times and he only has to introduce himself to the person on his left. Chances are he won't even have to do this because Beavers tend to sit beside people they know. The song leader will probably have to help some of the boys to sing the reply and so should follow the song around the dam

The Wandering Fly

There was a fly who wanted to roam
So he packed his bags and left his home
Across the road to the grocery store
Where he landed on the ceiling and landed on the floor
He landed on the sugar and he landed on the tea
And if I'd been there he'd have landed on me

TV Dinners

How does Batman's mother call him in for tea?

To the Batman theme tune:

Dinner, dinner, dinner, dinner,
Dinner, dinner, dinner, dinner, Batman!

How does the Pink Panther chase insects?

To the Pink Panther Theme tune:

Dead ant, dead ant, dead ant, dead ant, dead ant ...

How does Bob Marley like his Doughnuts?

To Jammin:

Wi' jam in, jam in, and I hope you like jam in too.

The Lone Ranger saw Tonto with a dustbin on his back,
so he said, "Where are you going with that dustbin, Tonto?"

And Tonto said:

To the Lone Ranger theme Tune:

To the dump, to the dump, to the dump, dump, dump

Way up in the sky

Way up in the sky (hands thrown up)
The little birds fly (kentucky fried chicken wings)
While down in the nest ('nest' in crook of elbow - point)
The little birds rest (rest head on hands - 'sleeping')

With a wing on the left ('flap' left arm then bring it behind)
And a wing on the right (same on right)
The little birds sleep
All through the night (same sleeping action)
Shhh! (whispered)

They're SLEEPING! (shouted!)
The bright sun comes up (throw hands up)
The dew falls away (hands go down in stages like rain/dew going)
Good morning! Good morning! (throw hands up at each 'good morning')
the little birds say.

We're Here For Fun

(Auld Lang Syne)

We're here for fun right from the start, so drop your dignity
Just laugh and sing with all your heart, and show your loyalty
May all your troubles be forgot, let this night be the best
Join in the songs we sing tonight, be happy with the rest

Chinese Restaurant

I went to a Chinese restaurant
To buy a loaf of bread, bread, bread
They wrapped it up in wax paper
And this is what they said, said, said:

"My name is eli, chicali, pom, pom, beauty, extra cuttie
My name is eli, chicali, pom, pom, beauty, extra cuttie
My name is FREEZE!"

It's Not Hard

It's not hard I tell you so
Just sing along and go like so

This song was taught to me by Cooper in '99. The motions to this are what make the song. You repeat the song 4 times, each time doing different motions. The motions should go along with the beat of the song - I gave approximate times you should do each motion.

1st Motion: Slap legs (approx. 14 times)

2nd Motion: Slap legs and clap hands alternately (approx. 8 slaps, 6 claps)

3rd Motion: Slap legs, clap hands, and snap fingers (approx. 6 slaps, 4 claps, 4 snaps)

4th Motion: Slap legs, cross hands and slap legs, slap legs again (regular position), clap hands, snap fingers, clap hands, slap legs (approx. 2 of each motion)

If you want to try something harder, try to do the motions, without singing the song!

Miss Susy Had a Baby

Miss Susy had a baby
She named him Tiny Tim
She put him in the bathtub
To see if he could swim

He drank up all the water
He ate up all the soap
He tried to eat the bathtub
But it wouldn't go down his throat

He floated up the river
He floated down the lake
And now Miss Susy's baby
Has got a bellyache

Miss Susy called the doctor
The doctor called the nurse
The nurse called the lady
With the alligator purse

"Measles," said the doctor
"Mumps," said the nurse
"A virus," said the lady
With the alligator purse

"Penicillin," said the doctor
"Bed rest," said the nurse
"Pizza," said the lady
With the alligator purse

"He'll live," said the doctor
"He's all right," said the nurse
"I'm leaving," said the lady
With the alligator purse

"I don't want the doctor,
I don't want the nurse,
I want the lady
With the alligator purse"

Miss Susy gave me peaches,
And then she gave me pears,
And then she gave me fifty cents
And kicked me up the stairs

My mother was born in England,
My father was born in France,
And I was born in diapers
Because I didn't have any pants

I pick my nose in Dallas, I pick it in New York
I pick it with my finger and I pick it with my fork

CHORUS:

'Cause I'm a nosepicker baby
I pick it morning, noon, and night, morning, noon, and night
I pick it on the left side and move on over to the right
Nosepicker, nose, nosepicker

My mommy says I'm naughty
She sends me off to bed
When she comes to get me
I'm flicking greeners at her head

CHORUS

My teacher says I'm naughty
She sends me out in the hall
When she comes to get me
I'm flicking greeners at the wall

CHORUS

I went on a date with Tom Cruise (Brad pitt, don juan, Anna Nicole Smith, Cindy Crawford, etc.)

I put on my best clothes
But wouldn't you know there was a big fat greener on my nose?

CHORUS

Sometimes it's green and runny
Sometimes it's black and hard
And when I get real hungry
I pick it by the yard

CHORUS

I like it on my lasagna
I like it with extra cheese
And when I get real hungry
I just give it a big sneeze (Aaa-choo!)

Coneheads (In a Spaceship In the Sky) [1]

In a spaceship, in the sky

Saw an astronaut floating by
Knocking at my door

Help me, help me, help me! he said
Or the laser beam will shoot me dead!
Come little astronaut, come with me
Happy we will be.

Actions:

In a spaceship: place arms out like holding something big -spaceship shaped!
In the sky: hold arms over head forming circle... moon shaped
Spacey little conehead guy: make conehead shape with hands on top of head

Knocking at my door: knock in the air

Or the laser beam will shoot me dead: pretend laser gun pointing
Come little astronaut, come with me: beckon with hands

Next... say the laser beam went crazy and the astronaut shrunk. Then repeat in a high squeaky voice. Then he grew extremely large and repeat in a deep voice.

The final time the laser beam went completely nuts and it was all three together (high, regular, deep voice) for these words spaceship, conehead, astronaut, knocking, laser beam, conehead, happy and for each help me! (first one is high, 2nd is regular and 3rd is deep so it isn't repeated again but as written in the song).

Coneheads (In a Spaceship In the Sky) [2]

In a spaceship in the sky
Spacey little conehead guy
Saw an astronaut floating by
Knocking at my door.
Help me, help me, help me, he said
Or the meteor will swoosh! and hit my head!
Bong!
Come little astronaut, come with me
Coneheads we will be.

Actions are all the same, including singing "large" and "small" verses, except the line with the meteor. This line's action is a swooping motion with your hand as if tracing the path of a meteor. On "Bong!", knock on the side of your head. In the "large" verse, replace "bong" with "BOOM", and in the "small" verse, replace it with "ping"!

Actions:

Crash: cover face with hands
Beep: push on nose with flat of hand

Repeat the song a number of times, getting faster as you go. When I was a Guide, we played this song as a game: if someone kept singing after the song was over, they were "out" and had to go stand in the middle of the circle of singers!

Here's a second version of the song:

I'm a little piece of tin
Nobody knows what shape I'm in
Got four wheels and a running board
I'm a four door, I'm a Ford

Honk, honk, rattle, rattle, toot, crash, beep, beep

(Repeat taking out bananas, sky, sun, moon, coconut cream pie)

Actions:

No: hand motion both hands together then apart (like "cut" for a movie, sort of)

Bananas: peel a banana

In the sky: point upward on sky (each time)

Sun: gesture a round object in the sky

Moon: another round object on the other side

Coconut cream pie: gesture a fluffy object (like clouds)

Then each time you sing the song, you leave off some words and just do the actions, until you're left with:

There are (action) (action) in the (action) in the (action) (repeat)

Just a (action) and a (action) and a (action)

But there's (action) (action) in the (action) in the (action).

The first "moo, moo..." have your friend pull on your thumbs like he/she is milking a cow. (the cow is your hands) The second "moo, moo..." do this to your friend.

T.I.R.O.

Everyone stands in a circle and puts their arms around the backs of their neighbours - important not to pull on shoulders as then you can lose stability. Then everyone moves their right foot over top of their right neighbour's left foot (so that the right foot is between your right neighbour's feet with the leg being over top of the left one).

TIR (lean to right) TIR (lean to left) TIR (lean to right) O (lean to left)
TIR TIR TIR O (same as above)
TIR TIR TIR O (same as above)

O (lean in) O (lean out) O (lean in) O (lean out)
TIR (lean to left) TIR (lean to right) O (lean to left)

Who Stole My Chickens and My Eggs?

Who stole my chickens and my eggs?
Who stole my chickens and my eggs?
Who stole my chickens?
Who stole my eggs?
Who stole my chickens and my eggs?

Actions:

1st time: Cross your arms, look grumpy and at the end of every line, stomp your foot twice

2nd time: Find a partner. Each person makes a "beak" with their right hand and a "bowl" with their left. Feed your "beak" in your partner's "bowl", then bring your "beak" to your mouth. Then switch hands - make a "beak" with your left hand and a "bowl" with your right, and repeat the action. You do two complete sets of actions (i.e. make four "beaks", two with each hand) during the first line of the song.

3rd time: With a partner, repeat the following clapping game throughout the song:

Cross-clap with partner (your left hand faces up, right hand faces down, hands held parallel to ground);
Clap with partner (clap their left hand with your right while simultaneously clapping your right hand with their left, hands perpendicular to ground);
Clap your own hands;
Repeat.

You do about 3 1/2 sets of actions for each line. If you've followed the clapping properly, you can then close the end of the verse with two straight claps of your own hands.

Ain't Gonna Rain No More

Chorus:

Oh, it ain't gonna rain no more, no more, it ain't gonna rain no more.
It rained last week and the week before, it ain't gonna rain no more.

Mary had a little lamb, so goes the tale of yore.
She loved that little lamb so much, she passed the plate for more.

A bullfrog sat on a lily pad, looking up in the sky.
He fell right off that lily pad, and got water in his eye.

Oh, a peanut sat on a railroad track, it's heart was all a-flutter.
Along came the 5:05 - Oops! peanut butter.

A cow walked on the railroad track, the train was coming fast.
The train got off the railroad track to let the cow go past!

I woke up in the morning, I glanced upon the wall.
The roaches and the bedbugs were having a game of ball.

The score was six to nothing, the roaches were ahead.
A bedbug hit a home run and knocked me out of bed!

A doctor fell into a well and broke his collar bone.
We think that he should tend the sick and leave the well alone.

A farmer slipped on the old barn roof when rotten boards gave way,
And as as he fell, he shrugged and said, "It's time to hit the hay."

Humpty Dumpty fell right down and landed on his head,
So, all the horses and the men had scrambled eggs and bread.

Let There Be Peas

(to the tune of "Let There be Peace on Earth")

Let there be peas on Earth,
And take away broccoli;
Let there be peas on Earth,
For peas are what's meant to be.

Peas are delicious,
Round and firm and sweet;
Broccoli looks like a forest,
And trees were not meant to eat!

Please let there be peas on Earth,
But rid it of broccoli.
I'd like all peas on Earth,
But never the broccoli.

So, eat some peas,
Bring me some peas,
Peas are the best for me!
Let there be peas on Earth,
But take all the broccoli!

But a prune has wrinkles every place.
No matter how young a prune may be
He's always full of wrinkles

Rub-a-dub your rubber blubber whale!

My daddy bought me a rubber blubber whale,
Daddy bought me a rubber blubber whale!
Rub-a-dub your rubber blubber, rub-a-dub your rubber blubber,
Rub-a-dub your rubber blubber whale, blubber whale,
Rub-a-dub your rubber blubber whale!

I'm taking a bath with my rubber blubber whale,
Splishing and splashing with his rubber blubber tail!
Rub-a-dub your rubber blubber, rub-a-dub your rubber blubber,
Rub-a-dub your rubber blubber whale, blubber whale,
Rub-a-dub your rubber blubber whale!

Oh, rub-a-dub your rubber blubber whale,
Rub-a-dub your rubber blubber whale!
Rub-a-dub your rubber blubber, rub-a-dub your rubber blubber,
Rub-a-dub your rubber blubber whale, blubber whale,
Rub- a-dub your rubber blubber whale!

Swatting Midges

(to the tune of "I'm Forever Blowing Bubbles")

I'm forever swatting midges,
Little beasts that buzz and bite.
They're always nigh,
In earth and sky,
And like my dreams they come at night.
They are always hiding,
They are everywhere,
I'm forever swatting midges,
Little demons of the air.

The Cannibal Song

(to the tune of "Row, Row, Row Your Boat")

Stir, stir, stir the soup
Taste it with a spoon
Yummy, yummy, yummy, yummy
Hope she'll be done soon.

Sniff, sniff, sniff the meat
Salt it like you should
Tasty, tasty, tasty, tasty
Humans taste so good.

Slurp, slurp, slurp it down
Never get enough
Hope we trap more humans soon
We're crazy 'bout this stuff.

Whew, phew, burp, I'm full
Think I'm going to pop
Phooey, phooey, phooey, phooey
Guess I'll have to stop.

Gosh, darn, golly gee
Wish it wasn't so
Oh, well, what the heck
Pass me one more toe.

The Nonsense Song

Oh, I was born, one night, one morn
When the whistle went boom boom!
You can fry a cake or bake a steak
When the mudpies are in bloom
Does six and six make nine?
Does ice grow on a vine?
Is old black doe, an eskimo,
In the good old summertime?

Oh, loop the loop in the noodle soup
Just to give your socks a shine
I'm a guilty judge, I ate the fudge
Three cheers for Auld Lang Syne!
I cannot tell a lie,
I stole an apple pie
It's in a tree, beneath the sea
Above the bright blue sky!

If easter eggs don't wash their legs
Their children will have ducks (quack quack)
I'd rather buy a lemon pie
For forty-seven bucks (too much)
Way down in Barcelona
I jumped into a phonia
But that was all balonia
Red rooster blow your horn (toot toot!)

The Song That Never Ends

(source: "LambChop's Playalong")

This is the song that never ends,
It just goes on and on my friends,
Some people started singing it not knowing what it was
And they'll continue singing it forever just because,
This is the song that never ends....

(repeat, and repeat, and repeat...)

Tidal Wave

There's a funny little sunny little melody ch-ch-ch
That was started by the natives down in wy-ki-ki
Like a tropical storm down beside the sea
Funny little gay Hawaiian chant:

Chorus:

(hit it!)

Ti-I-I-dal wa-a-a-ave ti-I-I-dal ooo-na-wa-ne-a (uh)

Ti-I-I-dal wa-a-a-ave ti-I-I-dal ooo-na-wa-ne-a (uh)

Well the little native girls they started singing it
And the little native boys they started swinging it
Like a tropical storm down beside the sea
Funny little gay Hawaiian chant

Wee-Wee Song

Chorus:

Wee wee wee, wee wee wee, wee wee wee wee wee wee
Wee wee wee, wee wee wee, wee wee wee wee wee wee!

When I was just a wee-wee tot
They took me off my wee-wee cot
And put me on my wee-wee pot
To see if I could wee or not

And when they saw that I could not
They took me off my wee-wee pot
And put me on my wee-wee cot
AND THEN I GAVE IT ALL I GOT!

You Can't Get to Heaven

Oh, you can't get to heaven (Oh, you can't to heaven)
On roller skates. (On roller skates.)
You'll roll right by (You'll roll right by)
Those pearly gates. (Those pearly gates.)

Oh, you can't get to heaven on roller skates.
You'll roll right by those pearly gates.
I ain't a-gonna grieve my Lord no more.
I ain't a-gonna grieve my Lord no more.
I ain't a-gonna grieve my Lord no more.
I ain't a-gonna grieve my Lord no more.

Other verses include:

Oh, you can't get to heaven in a rocking chair
'Cause the rocking chair won't take you there.

Oh, you can't get to heaven in a trolley car
'Cause the gosh darn thing won't go that far.

Oh, you can't get to heaven on a rocket ship
'Cause the rocket ship won't take that trip.

Oh, you can't get to heaven with powder and paint
'Cause the Lord don't want you as you ain't.

Oh, you can't get to heaven in a limousine
'Cause the Lord don't sell no gasoline.

Oh, you can't get to heaven on a pair of skis
'Cause you'll schuss right through St. Peter's knees.

If you get to heaven before I do,
Just bore a hole and pull me through.

If I get to heaven before you do,
I'll plug that hole with shavings and glue.

"That's all there is. There ain't no more,"
St. Peter said, and closed the door.

You'll never get to heaven on a Boy Scout's knee,
'Cos a Boy Scout's knee is too hairy!
(Scouts sing....on a Girl Guide's knee...too wobbly)!!

You'll never get to heaven in dirty jeans,
'Cos the Lord don't have no washing machines.

You'll never get to heaven on a playtex bra,
'Cos a playtex bra won't stretch that far.

You'll never get to heaven in a rocking chair,
'Cos the Lord He keeps no lazybones there.

You'll never get to heaven on a bottle of gin,
'Cos the Lord won't let no drunkards in.

You'll never get to heaven on a bottle of stout,
'Cos the Lord he throws all drunkards out.

Oh, you can't get to heaven if your newly wed
Cause the Lord ain't got no double bed!

You'll never get to heaven on a ping pong ball
'Cos a ping pong ball is far too small!

You'll never get to heaven in a biscuit tin
'Cos the Lord don't let no crummy ones in!

You'll never get to heaven on a Boy Scout's knee
'Cos you never know where his hands will be!!!
[To be sung in selected company!]

You'll never get to Heaven in [someone's name]'s car
'Cos [someone's name]'s car won't get that far!

You'll never get to Heaven with a dog as a pet
'Cos the Lord ain't got no lamp posts yet!

You'll never get to heaven in a jumbo jet
'Cos the Lord ain't got no runways yet!

You'll never get to heaven in a bottle of gin

'Cos the Lord won't let no spirits in!

You'll never get to heaven in a bottle of whisky
'Cos the Lord don't like his angels frisky!

If you get there before I do
Just dig a hole and pull me through.

If I get there before you do
I'll dig a hole and spit on you!

"And that is all," St Peter said
As he closed the gates and went to bed.

There are three things you must not do:
You must not spit or smoke or chew.

Oh you'll never get to heaven in a baked bean tin
'Cos a baked bean tin 'sgot baked beans in!

Never Go To Heaven

Oh you'll never go to heaven
Oh you'll never go to heaven

Ford car - won't get that far
Ping-pong ball - is much too small
Limousine - Lord ain't got no gasoline

Go Bananas[1]

This song is sung when, for example, during a meal at camp a group of kids gets together and shouts "Bananas!" The councillors all stand up and yell...

Did Somebody say bananas?
Bananas of the world unite!
Peel bananas, peel, peel bananas
Shake bananas, shake, shake bananas
Go bananas, go go bananas
Peel, peel, peel peel peel
Peel, peel, peel peel peel
Go, bananas!!
Bananas of the world unite!!

Actions:

Unite: Clasp hands over head
Peel: Shake thumbs over back alternately
Shake: Do the twist
Go: Bring arms over head alternately
Peel: make fist like muscle man, bring up and down every time you say peel
Go bananas!!: Bring fist up into the air

Go Bananas[2]

Gonna pick bananas, pick pick bananas (pretend to pick bananas from tall trees)
Gonna peel bananas, peel peel bananas (pretend to peel a banana)
Gonna smush bananas, smush smush bananas (clap hands)
Gonna eat bananas, eat eat bananas (move hands to mouth in an eating motion)
Gonna GO BANANAS GO GO BANANAS
GONNA GO BANANAS GONNA GO GO BANANAS (sing loud, jump and dance around acting crazy)

The Banana

Bananas of the World Unite (arms from hanging straight down go out to the side and up to a point above the head to form a banana)

Peel banana, peel peel banana,

Peel banana, peel peel banana (peel yourself)

Shake banana, shake shake banana,

Shake banana, shake shake banana (shake)

Go Banana, go go banana,

Go Banana, go go banana. (punch fists ahead)

Inky winky, foxy woxy (hands twinkling at side of head)

WEEE (right arm in front, left arm behind like the Princess Pat movement and stand on one leg)

I Left My...

There appears to be a number of different versions of this song. Here is the one I know:

Left, left, left right left
I left my wife in Argentina
With 52 kids and a laughing hyena
I thought I was right, right,
Right in my country and whoop-de-doo!
Left, left! I left my wife...

Your left foot comes down on each "left" in the march. At the "whoop-de-do!" you do this little jig so that your left foot will come down on the "left" in the next line.

Here are a couple of other versions:

I had a good home and I left
I had a good home and I left
I left on my own and it served me right,
Left, right left right.

I left my wife and forty-eight kids
On the verge of starvation with only one hamburger
Left, left to the left, right, left.

I left, left,
I left my wife in New Orleans
With thirty-five kids and a bucket of beans
I thought it was right, right,
Right for my country whoop-ee-doo!
Left, left,
I left...

The Nothing Song

(leader sings (yells!) a line, everyone repeats)

I do nothing, nothing nothing
I do nothing all day long
How do you like my nothing song?
Next verse, same as the first
A little bit louder
And a little bit worse!

Spider

(to the tune of the *Generic Army Marching Cadence*)

Spider, Spider on the wall,
Ain't you got no sense at all?
That wall is made of plaster,
Get of that wall, you silly spider!

Train Chant

Keep on repeating each line getting faster and faster until you feel you are fast enough for the next line. Remember this is meant to sound like a steam train starting up.

Bread and Butter
Cheese and Biscuits
Fish and Chips
Soup (This is meant to sound like a steam whistle)

Down at the Station

Down at the station, early in the morning
See the little puffing billies standing in a row
Up comes a man and he turns a little handle
Puff, puff, choo, choo, away they go

Coffee (x 4)
Cheese and biscuits (x4)
Prunes and custard (x 4)
Beef and carrots (x4)
Soup!

Girl Guide, Girl Guide, Dressed in Blue

Source: Kids' Games Too! by Elaine Martin. Random House.

Girl guide, girl guide, dressed in blue,
These are the actions you must do:
Stand at attention, stand at ease,
Bend your elbows, bend your knees.

Salute to the captain, bow to the Queen,
Turn your back on the dirty submarine.
I can do the heel and toe, I can do the splits.
I can do the hootchy-kootchy, just like this.

Girl Guide, Girl Guide, dressed in yellow,
This is the way I treat my fellow:
Hug him, kiss him, kick him in the pants -
That is the way to find romance.

Girl Guide, Girl Guide, dressed in green,
The leader sent me to the Queen.
The queen didn't want me, sent me to the King
The King said "Turn around and count to seventeen".
1, 2, 3, 4, 5...17

The Court of King Caractacus

This is one guaranteed to impress your audience if you can keep breathing right the way through. It has just one line, which is introduced bit by bit through the song and repeated 4 times per verse. The first verse is :-

'The ladies of the harem of the court of King Caractacus were just passing by'
repeated 4 times.

This bit is then added to every time around as follows, and the whole thing repeated 4 times per verse. That is why you need lots of breath especially for the last verse.

The noses on the faces of
The boys who put the powder on
The fascinating witches who put the scintillating stitches in the britches of.....

The last verse, which is not repeated ,is:-

Now if you want to take some pictures of the fascinating witches who put the scintillating stitches in the britches of the boys who put the powder on the noses of the faces of the ladies of the harem of the court of King Caractacus...then you're too late, cos they just...passed...bye!

Although this songs was made most famous by the greatest entertainer in the world Rolf Harris he actually got it from a old scout campfire song book.

The Motorcycle Policeman's Got a Puncture in his Tyre

The motor cycle policeman's got a puncture in his tyre
The motorcycle policeman's got a puncture in his tyre
The motorcycle policeman's got a puncture in his tyre
So he mended it with chewing gu-u-um

Chewy chewy chewy cheww eey
Chewy chewy chewy cheww eey
Chewy chewy chewy cheww eey
And he mended it with chewing gu-u-um

The tune to this is John Brown's body. Each time it is sung through, a word is dropped out and replaced with a sound and an action as follows :-

The motor cycle - vroom vroom (like revving the throttle on a motorbike)
Policeman - nick nick (make hand like a duck's beak, open & close it, on head)
Puncture - hissssss (pointy/stabby motion with index finger)
Tyre - high pitched wooooooo (each hand points out half a circle in front of you)
Chewing - (like you're stretching the gum from your mouth)

The Fly Song

Everywhere you see * you make a loud raspberry noise. You need to train your audience before singing this song so that their noises are short and to the point.

There was a little fly flew into a grocers store, and he * on the ceiling and he * on the floor.

He * on the bacon and he * on the ham and he * on the head of the little grocer man.

So the little grocer man said before this day is done, I will go and get my spray and I'll go and get my gun.

But before the grocer man could count from one to ten, the fly flew in the door and * on him again.

Three Blind Jellyfish

Three blind jellyfish
Three blind jellyfish
Three blind jellyfish sitting on a log

Along came a wave [*Mexican Wave*] and 1 got washed away!
Awwwwww!

Two
One
None

Along came a wave [*Mexican Wave*] and 1 got washed back!
Hurrrraaaahhhhhhhh!

One
Two
Three

Actions:- Three - 3 fingers up
Blind - cover eyes
Jellyfish - wobble hand

A very easy song. Go through it losing one jellyfish at a time. Volunteers make good jellyfish and they must ham up their disappearance as much as possible by rolling and diving off the log. You can also bring them back one at a time to much applause.

The Elephant in the Attic

What is that noise I hear (cup hand over ear)

Up in the attic (point up)

It is an elephant (make a trunk with your arm)

Cycling round and round (cycling action)

It is an elephant (trunk)

So chique and elegant (interlace fingers, palms down, hold over left hip)

With one tail here (trunk)

And one tail there (make a tail with your arm)

Repeat this through, losing one line at a time and replacing it with the action until there is no speaking at all. Then go through it once very fast with words and actions.

Cool and Creamy

This needs 2 of you with no sense, and 2 cans of shaving foam. The tune is 'Alouette'

Chorus

Cool and creamy we like cool and creamy, cool and creamy that's what we like best.

Would you like some on your head?

Yes I'd like some on my head!

On your head,

On my head (spray the one who'd like it on their head)

It then carries on alternating the sprayer and the sprayee and different parts of their bodies. Have fun!

Whoops la la la la

A very easy song. If you know the tune to 'Pop Goes the Weasel' then you can do it.

Split the audience into about 3 groups, and they la la to the afore mentioned tune. At the end the last 3 syllables are not la la'd but are replaced with a very loud

'Whoops LA LA LA' with a bit of a Mexican wave type leap in the air. After a couple of practices, start it off as a round. The next group starts when the previous group is on their second line as follows.

La la la la li la la,

La la la li la la (group 2 start when group 1 start this line)

LA la la la li la la

WHOOPS la la la la!

Quartermaster's Stores

My eyes are dim I cannot see
I have not brought my specks with me
 I have not brought my specks with me.

There were ...

....

In the stores, in the stores...

Mice - eating all the rice
Gravy - enough to sink the Navy
Soup - supposed to feed the Group
Meat - wrapped in muslin sheet
Honey - melting, and rather runny
Bread - found in the potting shed
Beef - harder than your teeth
Cake - bought it by mistake
Fish - a supplementary dish
Curry - but there's no need to worry
Buns - bullets for the guns
Eggs - nearly growing legs
Skip -= trying to give us the slip

Animal Fair

I went to the Animal Fair
The birds and the bees were there
By the light of the Moon
 the gay baboon
Was combing his auburn hair.

The monkey fell out of his bunk
And slid down the elephant's trunk
The elephant sneezed
 and fell on his knees,
And what became of the monkey, monkey, monkey...

Tarzan Of The Apes

I like bananas, monkey nuts, & grapes.

And that's why they call me...
