## Great Green Gobs

Version One:

Great green gobs  
Of greasy, grimy, gerbil guts,  
Mutilated monkey meat,  
Dirty, little birdie feet!  
Great green gobs  
Of greasy, grimy gerbil guts,  
And me without my spoon!  
**BUT I BROUGHT MY FORK!!!**

Best done as a opener.

As an accomplice lights the fire, walk on from the rear of the circle:

1. Shouting the above...
2. ...whilst eating lettuce leaves from a dish...
3. ...and spraying the audience with the leaves!

## Great Green Gobs

(Tune: Old Gray Mare, except the line in caps which is the melody to "Good Evening Friends")

Version Two:

Great green globs of  
Greasy, grimy gopher guts  
Munched up monkey meat  
Little birdies' dirty feet  
French-fried eyeballs  
Swimming in a pool of barf  
And I forgot my spoon  
But I got my straw...

Version Three:

Great green globs of  
Greasy, grimy gopher guts  
Mutilated monkey feet  
Chopped up baby parakeet  
French fried eyeballs  
Sailing in a cream puff  
Oops! I forgot my spoon...  
But there are straws!

Version Four:

Great green gobs of greasy grimy  
gerbil guts,  
Mutilated monkey meat,  
Itsy bitsy birdie feet,  
French fried eye-balls,  
Rolling down a muddy street,  
And I forgot my spoon.  
(pause)  
But I got my straw!

Version Five:

Great green gobs of greasy grimey  
gopher guts,  
Mutilated monkey meat,  
Saturated birdy feet,  
All wrapped up in  
All purpose porpoise pus.  
And me without a spoon!

Gee whiz! (but I've got a straw)

## Joe

Hello, my name is Joe  
I've a wife and 3 kids  
& I work in a butter factory

One day, boss says to me

## The Urge [2]

The Urge to Regurge!  
Regurgitate! Regurgitate!  
Bring Up all the food you ate!  
Vomit! Vomit!  
BLEEEEEUGH!!! \*\*

## Sam, Sam, the Lavatory Man

The motions are a must when singing this song.

Sam, Sam, the lavatory man,  
Chief inspector of the out house clan (stand straight like soldier & salute)  
He issues the tissues, the paper, and the towels (pass out 'items')  
He listens to the sounds of the rumbling bowels (hold hand to ear)

Down, down, down below the ground (point down on down)  
Where all the little poopies are swimming around (swimming motion)  
There sits Sam, the lavatory man,  
Scooping up the poopies,  
Scooping up the poopies,  
Scooping up the poopies in his little tin can! (scoop 3x times and proudly hold up 'tin can')

I usually do The Urge [1] and then straight into Sam. I do them as a repeat after me.

\*\* Explain to the audience the noise a cistern makes when you do the action of flushing it. Then when it's time to flush, simply do the action and go straight into Sam.

## Pirate Ship

(actions in brackets)

When I was one (hold up one finger) I sucked my thumb (suck your thumb)  
The day I went to sea, (make waves with a hand)  
I climbed aboard a pirate ship (climb an invisible ladder)  
And the Captain (salute) said to me,  
"We're going north, (stomp foot in front of you)  
South, (stomp foot behind you)  
East, (stomp foot to the left)  
West, (stomp foot to the right)  
And up the Irish sea, (two hands beside each other, palms facing out, make an  
"up" motion towards your head)  
A bottle of rum (drink from a bottle) to fill my tum (rub your belly)  
And that's the life for me!"

When I was two (hold up two fingers) I tied my shoe (tie your shoe)  
The day I went to sea, (make waves with a hand)  
I climbed aboard a pirate ship (climb an invisible ladder)  
And the Captain (salute) said to me,  
"We're going north, (stomp foot in front of you)  
South, (stomp foot behind you)  
East, (stomp foot to the left)  
West, (stomp foot to the right)  
And up the Irish sea, (two hands beside each other, palms facing out, make an  
"up" motion towards your head)  
A bottle of rum (drink from a bottle) to fill my tum (rub your belly)  
And that's the life for me!"

Four: shut the door (shut an imaginary door)  
Five: did the jive (?) (do a little dance)

Person replies: HEY WHAT!

Group says: SHOW US HOW TO GET DOWN!

Person Replies: NO WAY!

Then Jumps twice saying

(Tune - "Grand Old Duke of York")

The noble Captain Kirk,  
He had 500 men.  
He beamed them up to the Enterprise,  
And he beamed down again.  
And when they're up, they're up,  
And when they're down, they're down,  
And when they're only halfway up,  
They're nowhere to be found.

## Are You Pink and Green

Are you pink and green?  
Are you totally obscene?  
Can you pick your nose?  
With your stubby little toes?  
Do your armpits smell?  
Are you hairy there as well?  
Do your teeth fall out?  
Does your belly-button gleam?  
Does it let off purple steam?  
Is your earwax foul?  
Does your stomach groan and growl?  
Are your hands like jelly?  
Do they wobble like your belly?  
Do you look like me?

## Coke-a-Cola

Tune: Frere Jacques

Coke-a-cola, Coke-a-cola  
Makes you burp, makes you burp  
Have another bottle, have another bottle  
Burp burp burp, burp burp burp

## The Cow Kicked Nellie

(Yell)

## Onni Wonni Wakki

Onni wonni wakki Wah wah,  
Onni wonni wakki Wah wah,  
Aye yi yi yippi yi yi yi.  
Aye yi, aye yi, aye yi, aye yi

The key thing with this song is not the words, but the actions! Repeat the song three times, doing the actions in rhythm with the music:

During the first verse, put both hands on the knees of the person to your right, then on your own knees, then on the knees of the person to your left, then back on your own knees.

During second verse, start with arms folded (not tucked in!) in front of your chest; put right hand out, put left hand on top of it, put left hand back in "folded" position, put right hand in "folded" position and then repeat by putting left hand out first.

During last verse, put both hands on knees, then put left hand on nose while crossing right arm over to touch left ear with right hand; then put hands on knees again and this time touch nose with right hand while touching right ear with left hand...

(This last action requires some care to ensure you don't poke your finger in your eye!)

## I Zicka Zimba (Hold Him Down)

Hold him down, you Zulu Warrior

Hold him down, you Zulu chief, chief, chief, chief (Repeat)

I zicka zimba, zimba, zimba

I zicka zimba, zimba, hey

I zicka zimba, zimba, zimba

I zicka zimba, zimba, hey

To begin, song leader shuffles/dances in circle around fire, pretending to wave spear. After singing "chief, chief, chief, chief" turn and dance back in the other direction. During "I zicka zimba" do the same, but with more vigorous actions; on "hey" jump up and turn in opposite direction. When this chorus ends, select a member of audience to join in dance; after each further chorus, each person dancing selects another audience member to join the dance.

It is difficult to do justice to the chorus musically as it is in the sound file. It is far more effective when done as a chant, with a loud shout on the "Hey!" (imagine an Indian war dance from an old Western movie and you'll have about the right idea!)

## Mum Wash My Underwear

(Tune - "God Bless America")

Mum, wash my underwear, my only pair.  
We can find them and move them,  
From the heap by the side of the chair.  
To the washer, to the clothesline,  
To my backpack, to my rear.  
Mum, wash my underwear, my only pair.  
Mum, wash my underwear, or I'll be bare.

## Underwear

(Over There)

Underwear, Underwear  
How I itch in my woollen underwear  
I wish I hdd gotten a pair of cotton  
So I wouldn't itch everywhere.

BVDs make me sneeze  
When the breeze from the trees hits my knees  
Coming over, I'm coming over  
In my gosh darned, itchy, woolen underwear

Underwear, underwear,  
Send a pair, send a pair, I can wear  
For I left mine lying, on a line a drying  
And now I need them they're not there.

Underwear, underwear,  
Get a pair, get a pair, anywhere  
The bugle's blowing, I must be going  
For I've got to get there if I have to go there bare

## Willies Underwear

(sung like the old fashioned barber shop quartet would sing it...)

On the night that Willie died...hum  
He called me to his side.....hum  
And he gave me his dirty underwear...dirty underwear.

They were baggy at the knees.....hum  
And they smelled like liver cheese...hum  
Oh the dirty underwear that Willie wore...that Willie wore.

Oh I threw them in the sky.....hum  
And the birds refused to fly...hum  
Oh the dirty underwear that Willie wore...that Willie wore.

Oh I threw them in the well...hum  
And the rats they ran like....heck...hum  
Oh the dirty underwear that Willie wore...that Willie wore.

Now Willie's dead and gone...hum  
But his underwear live on...hum  
And they're hangin' on the line for all to see...for all to see.

Now remember and remember well...hum  
For you can't avoid the smell....hum  
Of the underwear that's Willie's memory...Willie's memory!

## Long Johns

(Tune : Bye, bye, blackbird)

I have lost my underwear,  
I don't care,  
I'll go bare,  
Bye, bye long johns.

They were very dear to me,  
Tickled me,  
tee, hee, hee,  
Bye, bye long johns.

If you ever wonder where to find me,  
Just open up that trap door right behind me.  
I have lost my underwear,  
I don't care,  
I'll go bare,  
Bye, bye long johns.

## My Father's A Lavatory Cleaner

(My Bonnie Lies Over the Ocean)

My father's a lavatory cleaner  
He works both by day and by night  
And when he comes home in the evening  
He's covered all over in Shine

Up your buttons with Brasso  
Its only three apence a tin  
You can buy it or nick it from Woolworths  
But I doubt if they'll have any in

Some say that he died of a fever  
Some say that he dies of a fit  
But I know what my father dies of  
He died of the smell of the Shine

Up your buttons with Brasso  
Its only three apence a tin  
You can buy it or nick it from Woolworths  
But I doubt if they'll have any in

Some say that he's buried in a graveyard  
Som say that he's buried in a pit  
But I know where my fathers buried  
He's buried in six feet of Shine

Up your buttons with Brasso  
Its only three apence a tin  
You can buy it or nick it from Woolworths  
But I doubt if they'll have any in

## Worms

Nobody likes me,  
Everybody hates me!  
I'm gonna eat some worms.  
Chorus (Repeat after each verse)  
Long, slim slimey ones,  
Short, fat juicy ones,  
Itsy, bitsy, fuzzy, wuzzy worms.

First you get a bucket,  
Then you get a shovel,  
Oh how they wiggle and squirm.

First you pull the heads off,  
Then you suck th guts out.  
Oh how they wiggle and squirm.

Down goes the first one,  
Down goes the second one,  
Oh how they wiggle and squirm.

Up comes the first one,  
Up comes the second one,  
Oh how they wiggle and squirm.

Everybody likes me,  
Nobody hates me!  
Why did I eat those worms?

Chop up their heads and  
Squeeze out their juice,  
And throw their tails away.  
Nobody knows how I survive  
On worms three times a day!

## THE GREAT GRAY GHOST ELEPHANT

In deepest darkest Africa there is a legend concerning the Great Gray Ghost Elephant. Every year after the rains the great gray ghost elephant arose from the mists and wandered throughout the land at dawn. When he came to a village he would stop and sniff the air, then he would either go around the village or through it. If he went around the village, the village would have a prosperous year, if he went through it there would be hunger and drought. The village of Wat-cha had been visited three years in a row by the elephant and things were very bad indeed, and the village leader Ging-ganga, was very worried, as was the village medicine man Hay-la-shay. Together they decided to do something about the problem.

Now Ging-ganga and his warriors were huge men with big shields and Spears and they decided to stand in the path of the elephant and shake their shields and spears at it to frighten it off.

Hay-la-shay and his followers were going to cast magic spells to deter the elephant by shaking their medicine bags as the elephant approached, which made the sound shalawally shallawly shallawally.

Very early in the morning of the day the Great Gray Elephant came the villagers gathered at the edge of the village. On one side were Ging-ganga and his warriors (indicate right side of camp fire circle) on the other was Hay-la-shay and his followers (indicate left side of camp fire)

As they waited the warriors sang softly about their leader;

Ging Gang Gooli, Gooli, Gooli, Gooli Watcha

Ging Gang Goo Ging Gang Goo

Ging Gang Gooli, Gooli, Gooli, Gooli Watcha

Ging Gang Goo Ging Gang Goo

As they waited the medicine men sang of their leader;

Hayla, Hayla Shayla Heyla Shayla Halya Ho-o-o!

Hayla, Hayla Shayla Heyla Shayla Halya Ho-o-o!

And shook their medicine bags,  
shallawally shallawly shallawally shallawally.

And from the river came the mighty great gray elephant's reply  
(Have all the adults do this)

Oompha Oompah Oompah Oompah!

The elephant was coming closer so the warriors beat their  
shields and sang louder,

(signal warriors to stand and beat thighs in time)

Ging Gang Gooli, Gooli, Gooli, Gooli Watcha

Ging Gang Goo Ging Gang Goo

Ging Gang Gooli, Gooli, Gooli, Gooli Watcha

Ging Gang Goo Ging Gang Goo.

Then the medicine men rose and sang loudly

Hayla, Hayla Shayla Heyla Shayla Halya Ho-o-o!

Hayla, Hayla Shayla Heyla Shayla Halya Ho-o-o!

And shook their medicine bags  
shallawally shallawly shallawally shallawally.

And the mighty great gray elephant turned aside and went around the village saying,

Oompha Oompah Ompah Oompah!

There was great rejoicing in the village and all the villagers joined together to sing,

Ging Gang Gooli.....

## You Can't Keep A Cow In A Council Flat

*[Tune: Show Me The Way To Go Home]*

Chorus:

You can't keep a cow in a council flat,  
It's a thing that they just don't allow,  
I've been right to the top and the Lord mayor said stop,  
So you'll have to get rid of that cow,

A budgies OK in a bungalow,  
We don't take objection to that,  
But think of the wear and the tear on the stair,  
If you keep a cow in a flat,

(repeat chorus)

Why not start a collection of tropical fish,  
We'll make an exception for that,  
But I've told you before what it does to the floor,  
If you keep a cow in a flat

(repeat Chorus)

## Cecil

Cecil is a catapilla, Cecil is my friend.  
The first time I saw Cecil he was so big.

Cecil is a catapilla, Cecil is my friend.  
The last time I saw Cecil he was this big.  
I said Oh! Cecil, what have you done.  
He said "I've eaten a whole cabbage leaf."

Cecil is a catapilla, Cecil is my friend.  
The last time I saw Cecil he was this big.  
I said Oh! Cecil, what have you done.  
He said "I've eaten a whole....."

One hen.

*One hen.*

*Two ducks.*

Three squaking geese.

*Three squaking geese.*

Four limerick oysters.

Five golden rings.

Six pairs of Don Alverzo's favorite tweezers.

Seven thousand Macedonians in full battle array.

Eight brass monkeys from the ancient, sacred, secret crypts of Egypt.

Nine apathetic, sympathetic diabetic old men on roller skates with a marked propensity towards procrastination and sloth.

Ten spherical, lyrical diabolical demons of the deep who consistently quiver on the quarry of the key constantly.

Sung as a "Repeat after me" chant.

Leader chants one line and the group repeats it.

## Annoying Song

(to the tune of "The Battle Hymn of the Republic")

I know a song that gets on everybody's nerves  
I know a song that gets on everybody's nerves

Glory, glory how peculiar!  
Glory, glory how peculiar!  
Glory, glory how peculiar!  
As (repeat the verse)!

They were only playing leapfrog!

## HEY TAKOLA MISHAUWAUKEE

Hey takola mishawaukee, ugh! Hey takola mishawaukee, ugh!

Ackie ackie umba, ackie ackie umba.

Hey little hi little ho little hey.

Ackie ackie umba, ackie ackie umba.

Hey little hi little ho little hey.

When you sing the Hey Takolas sweep your right arm through the air from one side to the other (one arc).

Then, the 'ackies' are accompanied by a paddling motion on either side of the singer.

Start off slow & soft since the canoe is in the distance. Come to a crescendo as the canoe passes you, then fade away as it disappears into the distance.

Theoretically, you try to explain that this is a song sung by Eskimos returning to the village after a hunt. It is supposed to be a story telling song. Like a lot of explanations, make sure that you adequately set the mood for this introduction.

## Train Chant

Keep on repeating each line getting faster and faster until you feel you are fast enough for the next line. Remember this is meant to sound like a steam train starting up.

Bread and Butter  
Cheese and Biscuits  
Fish and Chips  
Soup (This is meant to sound like a steam whistle)

Down at the Station

Down at the station, early in the morning  
See the little puffing billies standing in a row  
Up comes a man and he turns a little handle  
Puff, puff, choo, choo, away they go

Coffee (x 4)  
Cheese and biscuits (x4)  
Prunes and custard (x 4)  
Beef and carrots (x4)  
Soup!

Green grow the rushes-oh!

One is one and all alone  
And ever more shall be so.

All dressed up in green-ho!
