2007 Activities

National Competition!

There will be a UK-wide competition in three sub-categories: Art, Photography and Written Word. Anybody in Scouting can send in an entry, or you can work as a group - you just need to be a Member - all ages, all Sections and Leaders can take part. There will be five titles to inspire your work, and you can submit an entry under all three categories and any title you like.

Subject titles, terms and conditions for this competition, which opened in October 2006, will be available shortly. We will not be accepting competition entries by post until the short list stage - first level entries will be accepted only as .jpg and .doc attachments to e-mails to artofscouting@scout.org.uk.

County

Cub Trivial Pursuit Challenge

2007 will see a special Trivial Pursuit Challenge being set for each Cub Scout Pack in West Yorkshire. As in the traditional game, Packs will have to visit the six areas and take part in an activity from that section. A special Trivial Pursuit kit will be distributed to all packs with the full information that you will need to take part in the challenge which will run throughout the Centenary year. Packs that complete the challenge will be able to get a special commemorative plaque.

Photography Competition

Creating long-lasting memories of our Centenary will be part of the fun of 2007, but capturing them as images will be amazing. Working closely with a partner, West Yorkshire Scouts will be running a year long competition for absolutely everybody - members of Scouting, friends, family and supporters. Monthly deadlines will produce a number of winners in various categories and it is hoped that 2008 will include a tour of the entries throughout the County.
